### Expansion of Imagination Library Planned

Imagination Library Coordinator Frank McMillan has announced that our club has officially adopted ZIP codes 32805, 32808 and 32810 adjacent to 32804 as our area of coverage. This means that those who register online from these ZIP codes will automatically be our responsibility. Our area now covers Orlando and Orange County west of I-4 from SR 434 south to L. B McLeod Road. The western boundary is Powers Drive. Our immediate goal is to raise our current enrollment from the current 200+ to 500 children ages birth to 5.

The increased geographic area will mean that we need to raise additional funds of approximately \$5000 each year. We will need additional sponsors, events and club and member donations to take on this additional responsibility. Since our program last week, club members and other community supporters have already stepped up. You can contribute online at or website – [www.rotarycollegepark.org](http://www.rotarycollegepark.org). Select the Imagination Library tab.

After a many years of ill health, Rotary founder Paul Harris dies. Paul Harris was prominent in other civic and professional work. Paul's widow, Jean Thomson Harris, suffers a nervous breakdown. Then, alone and childless, she sold "Comely Bank" and lived in a Chicago hotel. Until 1955, she was involved in charity and philanthropy. Also, in 1947 the first 18 Rotary Foundation scholarships were granted.

## Jennifer Jones makes history, becomes first woman named Rotary president-nominee

Jennifer E. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, has been nominated to become Rotary International's president for 2022-23, a groundbreaking selection that will make her the first woman to hold that office in the organization's 115-year history. Jones will officially become president-nominee on 1 October if no other candidates challenge her.

Jones says she sees Rotary's Action Plan as a catalyst for increasing Rotary's impact.

"As we reflect upon our new strategic priorities, we could have never envisioned that *our ability to adapt* would become our North Star during what is inarguably the most profound time in recent history," Jones said in her vision statement. "Silver linings rise out of the most challenging circumstances. Using metric-driven goals, I will harness this historic landscape to innovate, educate, and communicate opportunities that reflect today's reality."

As the first woman to be nominated to be president, Jones understands how important it is to follow through on Rotary's Diversity, Equity, and Inclusion (DEI) Statement. "I believe that diversity, equity, and inclusion ... begins at the top and for us to realize growth in female membership and members under the age of forty — these demographics need to see their own reflection in leadership," Jones said. "I will champion double-digit growth in both categories while never losing sight of our entire family."

Jones is founder and president of Media Street Productions Inc., an award-winning media company in Windsor. She was chair of the board of governors of the University of Windsor and chair of the Windsor-Essex Regional Chamber of Commerce. She has been recognized for her service with the YMCA Peace Medallion, the Queen's Diamond Jubilee Medal, and Wayne State University's Peacemaker of the Year Award, a first for a Canadian. Jones holds a Doctor of Laws (LL.D.).
