### Saturday Morning at Publix

President Miguel Marrero and Public Image Chair Allie Loveland were at the Rotary Club of College Park table at the College Park Publix promoting our club and taking registrations for Imagination Library. We will be having a table several times this next year. When Allie announces the schedule, we will need volunteers. We can only have two people at a time at the table, so plan to volunteer for a short shift of one hour. It is a great way to meet our neighbors.

During the last week, club members and other community supporters have already contributed to support the expansion of Imagination Library. Don't forget, You can contribute online. Go to our website, and select the Imagination Library tab. [www.rotarycollegepark.org](http://www.rotarycollegepark.org).

### Member Spotlight

This week's Rotarian in the Member Spotlight is our Membership Chair, Donovan Pyle. Donovan joined our club in 2019 when he and Emily moved to College Park. Donovan was born in Delhi, New York. After graduating from SUNY Empire State, his first career was as a musician based in New York City. A drummer, Donovan was a session musician and toured with several groups. The touring brought him to Orlando several times. Donovan moved to Orlando in 2012 when he retired from touring and started Health Compass Consulting, a next generation employee benefits consultancy.

Donovan is married to Emily Ellyn, a celebrity chef and food consultant. They met at a neighborhood association meeting in 2015. How romantic! They have one son, Quinton, age 13 months. Donovan and Emily are both interested in live music, culture, and politics. They have both been instrumental in promoting Taste of College Park and our club through social media. Donovan is a Sustaining Member of The Rotary Foundation. Welcome to the spotlight, Donovan Pyle.

### Rotary History Timeline – 1950

*June 18–22, 1950* The Rotary Club of Ahmedabad, India, proposes Enactment 50-10 to the International Convention in Detroit. It would delete the word MALE from Article III of the Standard Club Constitution. It was overwhelmingly rejected.

## People of action around the globe

### United Kingdom

To raise funds for End Polio Now, the Rotary Club of Narberth & Whitland is selling Rotary-themed scarves designed by fashion and textiles student Mia Hewitson-Jones with help from graphics student Sam Stables, both enrolled at Pembrokeshire College. The scarves went on sale in 2019 after the club garnered approval from Rotary International for use of the logo. By April of this year, nearly 100 scarves had been sold and another shipment was on the way, says club member John Hughes. "We have sold a few in America and Canada," adds Hughes. The idea of selling specially designed scarves was conceived by Mary Adams when she was president-elect of the club in 2016.

### Romania

Faced with the coronavirus pandemic, the Rotaract Club of Cluj-Napoca "SAMVS" adapted an online mental health campaign on the club's social media accounts, encouraging people to engage in satisfying activities, such as art. The social media campaign focused on "how to make the best of your #stayhome experience," says club member Loana Vultur. More than 3,000 people have viewed the club's posts on Facebook and Instagram. "No money was necessary," Vultur says. "Our resources were our minds, creativity, and the will to help. In Romania we have the expression, 'Make heaven from what you have.'"

### United States

The Rotary Club of Yakima Sunrise, Washington, has installed nine pianos in public spots where anyone can sit down and tickle the ivories — and the community. Sites include brewpubs, a shopping mall, and a coffee shop, and more installations are planned soon. The Painted Piano Project also provided stipends of \$300 to artists who decorated the donated instruments. "People stop to listen to the music or take a moment to examine the beautiful artwork," says Nathan Hull, the club's immediate past president. "The pianists play everything from Mozart to Van Halen, and that has been a lot of fun."
