Member Spotlight

By popular demand, we are returning to a weekly story spotlighting one of our members. The spotlight this week is on Randy Harrison, Born in Ruston, Louisiana (Who would have guessed?). Randy served as President of the club in 1999-2020. Among the highlights of his year was representing, along with his wife, Grace, our club at the RI Convention in Singapore. He describes the experience as "amazing." Rumor has it that he accidentally volunteered for our club to do an international project in India. Seems that he was speaking Southern/Cajun and the Rotarians he met were speaking Hindi. More recently, Randy, a cancer survivor, has led our efforts to support Relay for Life. Grace and Randy are parents of our favorite junior Rotarian, Liv, who just turned 13. Randy, welcome to the Spotlight.

Club's VIRTUAL Installation Meeting Is Great Success

Our first VIRTUAL Installation Meeting featured a rousing introduction of the new officers and directors. We all felt like we were being introduced in the Amway Center. Our AG, Greg Gorski, installed the team while wearing his favorite Boston Celtics jersey. District Governor Mike Vernon join us did other past and future District Governors and leaders. Congratulations to President Miguel and the "team."
