*Tom Nolan, A.A.E.
President & CEO
Orlando Sanford International Airport*

Tom Nolan, A.A.E. is a native of Milwaukee Wisconsin where he graduated from Marquette University earning a B.S. Degree in Business Administration.

He is a licensed private pilot and an accredited airport executive with the American Association of Airport Executives. Tom has served in airport management over thirty years now spanning eight different airports throughout the U.S. coming to us from Palm Springs International Airport in California, after 13 years as the CEO. Tom attributes witnessing and immediately responding to a fatal crash of an airliner, within just two months of his first airport job, as a key factor in developing his leadership approach in managing airports.

Tom is married to his high school sweetheart and they are empty nesters with five children and five grandchildren and still expanding. They have family in Florida and love the people and weather. But Tom is quick to admit they cannot give up their loyalty to the Wisconsin Green Bay Packer NFL football team.

Is it fun?
