Howard Stephen Berg Is Uniquely Qualified To Bring Out Your Staff's True Potential

**Let Howard Stephen Berg
unleash your latent success.**

Howard is in high demand throughout North America, showing executives, instructors, staff and students in corporations, government agencies, universities, and schools how to reach their true learning potential.

In a time of specialization, Berg is one of those rare individuals possessing skills in a wide variety of areas. Trained in Psychobiology, Berg spent 10 years as an officer in an electrical construction corporation, 10 years as an educator, and 18 years as a public speaker. He understands the challenges of today's information-rich work environment and teaches the techniques to enable your staff to rise to the top.

For scheduling information please contact:

Berg's research into techniques for harnessing the power of the mind enabled him to pioneer his methods for reading over 25,000 words per minute (once considered quite impossible), writing over 100 words per minute, and for advanced problem solving strategies.

The Guinness Book of World Records published Berg's claim as the world's fastest reader in their 1990 issue, the only year they distinguished this honor.

Howard's accomplishments have attracted wide attention from both the media and the academic community, enabling him to appear on over 1000 radio and television programs and spurring feature stories in major newspapers across the country.

Guadalajara, Mexico Distribution

Restoring the Right of Mobility
Chair the Love has been growing increasingly fast these past few months, thanks to our amazing donors and partners! Because of their passion and excitement for this cause, we will be hosting a **double distribution** in Guadalajara! However, spots are limited so please sign up as soon as possible! We will be having two groups covering this distribution from September 1st-7th.

Group 1 will arrive on Wednesday, **September 1st**, in time for a **7pm** group dinner. Over the next two days, they will support at least 2 impactful wheelchair distributions, then will reunite with Group 2 on September 4th for a day of touring, group dinner, and silent auction.

Group 2 will arrive by **6pm** on Friday, **September 3rd**, so they can enjoy dinner together. They will then join the Guadalajara tour on September 4th, as well as join the silent auction and group dinner. Over the next 2 days, they will support at least 2 distributions, and will depart by Tuesday, September 7th!

Please keep reading for more important details so that we can make your journey as fun and productive as possible!

Chair the Love will provide a day-by-day agenda for the duration of the trip once the details have been confirmed with our hosts. **For any questions or concerns, please call us at 407-789-2020 or email admin@chairthelove.org, and we will be happy to assist you.**

We cannot wait to see you all in September and make amazing memories as well as a meaningful impact in Guadalajara!

Guadalajara Distribution Details

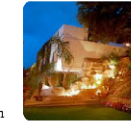

Please read the information below for more important details so that we can make your journey as fun and productive as possible!

DEPOSIT: There is a **\$150 deposit** required in order to secure your seat on the distribution. Once you have returned to the States, you are more than welcome to request a refund for your deposit, otherwise the money be forwarded as a generous donation in your name to Chair the Love. In the event that you are unable to make this distribution, the deposit will be nonrefundable, in order for Chair the Love to cover the expenses.

TRAVEL: Please ensure that your booked flight lands at Guadalajara Airport (GDL). Our Distribution Attendee Form requires you to input both your arrival and departure dates and times, so please make sure to include all details. Our wonderful hosts will provide transportation to and from the airport, as well as to any restaurants, group activities, and - of course - to the distributions. However, if you plan to come early or stay late, you will be responsible for all transportation outside of the distribution.

LODGING & FOOD: Chair the Love will be booking hotel rooms in most instances for \$100 or less per night per room. Most meals will be eaten together as a group, but individuals and couples are responsible for lodging and food expenses. Please note any room requirements or dietary restrictions on the Distribution Attendee form.

SAFETY UPDATE: At this time, you will be required to test negative for COVID upon your arrival in Mexico. Additionally, please be aware that masks and social distancing will be required during airline travel and distributions. For safety, we will be traveling at all times with a large group of Rotarians, as well as our other partners in Mexico. Our experienced partners will be vigilant in ensuring your safety throughout our stay. If you have concerns, please call 407-789-2020 to discuss!
