A number of members have inquired about how we can assist those who have been affected by Hurricane Sally and other disasters. At the suggestion of DGE Barry Gainer, a District Disaster Relief Fund has been established. You can make a donation by check, credit, or debit card using the DACdb calendar event dated October 31, 2020 and titled District Disaster 6980 Relief Fund. If you wish to write a personal or club check, please make it payable to Rotary District 6980 and send it to Dennis Veccia, District Treasurer, 3624 Serena Lane, Clermont, Florida 34711-5049. Please indicate "Disaster Relief Fund" in the memo field. Also we can take out the comments that have been running for a few weeks now.

Fellow Lake Mary Rotarians, please take a minute to be reminded of a few things as we continue our journey through the COVID-19 Pandemic that is keeping us from seeing each other face to face at the Heathrow Country Club. "We will continue with Zoom meetings throughout the months of August and September. "Our Zoom meetings are only the next best thing to being with one another if we get to see your unique and beautiful face. Please don't turn off the video share when attending the meetings. We really want to see you as well as hear you. "We are opening the meetings at 7:30am for 30 minutes of fellowship and fun. President Elect Chris Puccio and Public Relations Director Megan Almasi will be leading that part of the meeting. They are going to be bringing some fun and excitement to the arena. "Remember that we are tracking your Happy Dollars and when you reach \$10, we are asking you to send a check or go to the Rotary Club of Lake Mary website and pay through the donor tab. Either way you make payment, please remember to let us know what the payment is for and who you are. **"During the time our speaker is presenting we will be muting everyone so that there are no unplanned distractions. "If you have a question for the speaker, please use the chat box to ask your question. Chris and I will be monitoring the chat box and will ask the question on your behalf. During this time, we will continue to keep everyone muted in order to give the speaker an opportunity to adequately answer the question presented.** I hope that this will help us get through our meetings without distractions and in a way that honors the Four Way Test of Rotary. See you all on Thursday.

**We will be going back to face to face** meetings at Heathrow Country Club beginning **October 15th**. Quarterly bills will reflect the decision you made when you were surveyed a few weeks ago. We will require an RSVP each week for those wanting to be served breakfast. Until further notice, all meals will be plated and all drinks and food will be served by Heathrow staff. Masks will be required. Anyone not wearing a mask will be provided one or will be asked to sit separate from the rest of the group. Social distancing will be required when both seated and standing. Please leave the facility immediately at the conclusion of the meeting. Thanks, for making sure that whatever we do is fair to all concerned.
