Club of Orange County East-Winter Park

OCEWP Meetings by Zoom and In-Person

Thursday, July 9, 2020

President Lynne presided over her second meeting with determination to keep us keep active and vital as one of the lead Clubs in District 6980.

The meeting was conducted with our proven effective procedures compliant with Orange County guidance for safety of our attendees. Zoom was co-executed much improved and we will continue to work to insure a great experience for all members.

The highlight of the meeting was the presentation of a Paul Harris Fellow to Austen Jacks. Austen has made several contributions to the Club. Austen stepped up to tackle the Tip Off Classic with Bob Harvey in a leadership role and has done an outstanding job. This last year was the best Tip Off in the history of the Club. The Tip Off is the primary fund raiser which supports the charitable and scholarship efforts of the Club Foundation. Congratulations Austen, well deserved!

Wendell wanted everyone to know that his other place of employment (Ace Hardware at 17/92 and Red Bug Lake Road) has plenty of all the sanitizer and other tools you may need for dealing with the Wuhan/COVID virus. Thanks for the help Wendell.

For those who may not know, some week ago, Chef Scott suffered a fire in his home and is still in the recovery process. Despite this set back, Chef continues to support us in an outstanding manner. Our best wishes for Chef in these tough times.

We are getting back into the groove of weekly meetings, look for the Bulletin to be delivered both by email as well as some hard copies for pickup at the meeting and to be provided to our shut-ins.

If you have items you would like to see put before the whole club, send them to Michael Emerson or Bob Munn. They will work to get it into the Bulletin.

Some pictures here of Austen getting his PHF.
