### OCEWP Happenings

Happy/Sad last week:

Gerri reported on her surgery ♦ only 3-4 weeks to go on the recuperation ♦ best wishes Gerri!

Jerry Poppell again admitted to progressing in age

PE Bob Munn pitched the good news on the Tip Off and some news from our friends at the

Salvation Army ♦ Holidays will be very different this year as can be expected

There were 15 Zoomers on the Zoom screen

President Lynne took home the 50/50

Our speaker, KC Collignon, gave us a great talk on the current state of the Stock Markets as impacted by the Novel Corona Virus. Basically, the market remains a long-term good investment.

Resist the urge to respond to short term fluctuations. Dollar cost averaging is still a solid strategy.

The big news was that PP Merv celebrated his 89<sup>th</sup> birthday ♦ PP Karla managed to sneak in some fantastic Gator themed cookies to help him celebrate (Karla had help from her special ♦elf♦ PP Bob Harvey). We hope you had the happiest of natal days PP Merv!

Let us turn to Tip Off for a moment. We are counting our 44<sup>th</sup> year of Central Florida♦s premier High School Basketball Tournament. Think about it, no small feat these days to keep something this unique going for 44 years! A host of folks have worked throughout the years to make this the singular success that it has become. PP Bob Harvey is of course has been the cornerstone of the Tip Off for many of those 44 years. Austen Jacks has become a key player as PP Bob♦s heir apparent and The Club is grateful for both. PP Karla has become the ♦magician♦ of the food service/hospitality effort for players, coaches, and other staff. Most of the Club members, too numerous to list, are long time veterans in some capacity. The production end of the Tip Off has been well served by club members over the entire 44 years.

Of course, our advertisers are the foundational element in the fund-raising end of the Tip Off. Such folks as Central Florida Lincoln (our own Elliott Burnside with three full page ads last year), and Don Johnson♦s stable of auto dealers: Sutherlin Nissan, The Volvo Store, Holler Hyundai, Orlando Dodge-Chrysler-Jeep-Ram, Lexus of Winter Park and Lexus of Orlando, Bill Bryan Chrysler-Dodge-Jeep, and Auto Nation Toyota Winter Park. These all supported full page ads including inside front cover and inside back cover. Needless to say, we should consider these folks when OCEWP♦ers are looking for that new set of wheels. These folks are very much part of our Tip Off team! We will highlight others in the next weeks leading up to the Tip Off.

Our Rotarian of note is our Birthday PP Merv!
