Happy/Sad:

PP Bob Harvey convinced the entire club to sing Happy Birthday to PP Rusty!

PP Rusty had \$20 Happy Dollars for the club.

Geri had \$5 for missed field goals, but the Packers finally won!

Jim Podschun was sad for a friend who passed away from cancer.

Mary Toolles was happy to be heading to NYC to see family and see The Lion King!

P Bob had \$5 for receiving his second Shingles vaccine shot last Tuesday; first one was lots of pain in the arm then lots of itching, much more severe than the Covid vaccine.

P Bob Munn spoke about Rotary Internationals Polio Plus initiative. October 24 is World Polio Day. Rotary has been mobilizing efforts to eradicate polio from the globe since 1979. Just a little trivia for you, lots of people ask what the Plus is in Polio Plus; here's the answer: The 'plus' is something else that is provided as a part of the polio eradication campaign. It might be a hand-operated tricycle or access to water. It might be additional medical treatment, bed nets, or soap. Please go visit endpolio.org

We tried to print some photos provided by Jim Podschun in remembrance, but the website for the newsletter was experiencing technical difficulties. Below is the text that was to accompany the pictures:

The first photo is the from a Rotary meeting of Vicki Lampe who is a student counselor at Lake Howell HS (lady on far left) The second is a picture of her husband, Tyler Lampe, who was a football coach at Ovideo HS who recently passed away from Cancer. If anyone is interested in assiting the family with medical expenses, there is a gofundme account for Tyler Lampe.

The Four Way Test of Things We Think, Say, and Do

1. Is it the Truth?
 2. Is it Fair To All Concerned
 3. Will it Build Good Will and Better Friendships
 4. Will it Be Beneficial to All Concerned
