## OCEWP Weekly Meeting 11112021

Attendance was 32 in the hall and 4 on Zoom.

Invocation and pledge was led by PP John Ingram.

No visiting Rotarians but we did have 1 guest, Andrew.

50/50 was \$52 and Joe had the winning numbers.

Announcements:

P Bob recognized all of our Veterans members of the club by sharing the branch of service and number of years they gave to the military.

PP Rusty announced that the Galloway Foundation again made their \$20,000 donation to the Tip-Off Classic!

November 18, 2021 is the last day for us to turn in our ads for the Tip-Off Classic program.

Kyle brought in the Angel Tree cards for our members.

Happy/Sad:

Kyle gave a happy dollar for her great great grandfather who was a union soldier and her brother who served as well. She had another happy dollar for the University of Michigan Ann Arbor where her son is working on research.

Lyle was happy for a good month, he and Charlie went to celebrate their 65th anniversary at Linda's La Cantina.

PP Lynne had happy dollars for her mom and dad who served, and for her cousin for following in her footsteps and becoming a flight attendant.

PP Bob Harvey was happy to have noticed the similarities between birthday parties he attended for a 90 year old and a two year old!

P Bob was sad for his Veteran friend who fell and had to go to the hospital.

Program:

Ed O'Brien introduced Scott Heisler, owner and founder of Orlando Watch Company. Scott spoke about starting the company solely as a repair company over 40 years ago and how they also started in the retail watch business. Digital quartz watches took over the industry back in the 1980's, which allowed collectable watch values increase due to diminished availability. Many brand new collectable mechanical watches begin appreciating in value the moment they are purchased. Vintage watches are a great value currently as Scott expects their value will only increase in the years to come. Visit [orlandowatch.com](http://orlandowatch.com) for more info!
