1. What is Rotary

Rotary was founded in 1905 by attorney Paul Harris in Chicago, Illinois. Rotary has grown to be a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change ♦ across the globe, in our communities, and in ourselves. Solving real problems takes real commitment and vision. For more than 115 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end. The Object of Rotary is Fellowship, Ethics, Service and Peace.

Learn more about [our structure](#) and [our foundation](#) and [our strategic vision](#).

What we do

Rotary members believe that we have a shared responsibility to take action on our world ♦s most persistent issues. Our 35,000+ clubs work together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Save mothers and children
- Support education
- Grow local economies

2. History | Our Founders

Rotary Club of Coral Gables was chartered on March 4, 1946.

ROTARY CLUB OF CORAL GABLES

In the beginning...

The Club of Coral Gables was chartered on March 4th, 1946. It was Club Number 6200 on a worldwide basis. The first Rotary Club in Florida was in Jacksonville in the year 1912. It was assigned Club Number 41. Five years later in 1917- The Rotary Club of Miami received its charter and became Club Number 271.

In 1945 the Rotary Club of Miami "gave up" a huge piece of its territory – west of 27th Avenue – extending north and south – to a group who wanted to form a new Rotary Club in the southwest section of the Miami area. W. Keith Phillips—a Miami Rotarian—acted as Special Representative of District Governor Fred M. Bultman; 167th District; in the pre-formative days of days of the Rotary Club of Coral Gables.

Countless meeting were held in the pre-charter months under the leadership of W. Keith Phillips and Dr. Otto J. Sieplein. They patiently explained the aims and objects of Rotary to prospective charter members. These meetings were mostly held at the Country Club of Coral Gables. Gradually a fine group of men was gathered together and application for a charter was presented to Rotary International. W. Keith Phillips acted as Master of Ceremonies.

CORAL GABLES, FLA., FRIDAY, MARCH 8, 1946

Rotary Club Gets Charter In Gables

Sieplein Heads Organization; Meets Today

Approval from national headquarters for the granting of a charter for a Coral Gables Rotary Club was received this week in a telegram from F. M. Bultman, district governor.

First meeting of the new group, as a Rotary Club, will be held at 12:15 today at the Country Club of Coral Gables. Otto J. Sieplein, president, announced The Charter Day ceremony date will be announced later.

Officers of the new civic organization include Warren Lehman, vice president; H. W. MacDonald, secretary; George B. Caster, treasurer and Upton Ewing, Dr. Roy Bovard, and Leland Shepard, directors.

The club will be the 6,200th to be chartered by Rotary International.

Other charter members include: George Anderson, Clarence Ayers, Lee Gebhart, Dr. Stephen

3. The Rotary Foundation | Rotary International

Foundation History

At the 1917 Rotary International Convention, outgoing Rotary president Arch Klumph proposed setting up an endowment for the purpose of doing good in the world. That one idea, and an initial contribution of \$26.50, set in motion a powerful force that has transformed millions of lives around the globe.

The Rotary Foundation is organized as a public charity operated exclusively for charitable purposes and governed by a [Board of Trustees](#). The operations of Rotary International, a member organization, are overseen by its [Board of Directors](#).

The headquarters of Rotary International and The Rotary Foundation are in Evanston, Illinois, USA. We have associate foundations in Australia, Brazil, Canada, Germany, India, Japan, and the United Kingdom.

The Paul Harris Fellow Recognition

Our club is official a Paul Harris Club. The Paul Harris Fellow recognition acknowledges individuals who contribute, or who have contributions made in their name, of \$1,000 to [The Rotary Foundation](#).

Rotary established the [recognition](#) in 1957 to encourage and show appreciation for substantial contributions to what was then the Foundation's only program, Rotary Foundation Fellowships for Advanced Study, the precursor to Ambassadorial Scholarships. For more information visit rotary.org/en/history-paul-harris-fellow-recognition.

4. Why the Pins?

Rotarians are expected to wear a Rotary pin ... not just to club meetings, district meetings and events, and when you travel but everyday. People recognize the emblem. It connects you with other Rotarians throughout the world. Remember, Rotary is an international organization with 1.2 million members world-wide. And for those who are unfamiliar with Rotary, the pin gives us the opportunity to tell the Rotary story and perhaps influence others to join us.

5. What Happens during a Meeting?

1. **Invocation:** Members stand for an inspirational message usually without reference to specific religious denominations or faiths.
2. **Pledge of Allegiance:** Members stand and recite the Pledge of Allegiance.
3. **President's Time:** President will take this brief moment to make any announcements or address any matters.
4. **Happy Dollars:** For \$5, Rotarians can have the microphone to tell the club what they are up to, something good that's happened in their lives. It gives our members a chance to share a happy event, i.e. birth of child, marriage, promotion, retirement, being honored in print, an upcoming event they are involved with, or just that they're glad to be alive and with their friends. At the same time, they are donating to our Scholarship Fund, since the proceeds from Happy Dollars all go to fund scholarships for worthy Coral Gables High School Interactors.
5. **City Employee of the Month:** The City of Coral Gables recognizes an employee every month who has demonstrated great service to their department or the city residents. We honor those employees at a luncheon with their supervisor. They receive a recognition plaque from Rotary for their vocational service.
6. **Introduction of Visitors and Guests:** A member will introduce all visitors and guests.
7. **Speaker Program:** The Program Chair will introduce the Speaker for the meeting.
8. **Announcements:** The President will make any necessary announcements.
9. **Thought of the Week:** A Member will say an inspirational thought for the week.
10. **Dewitt Law Silver Dollars:** A member gives out two, dollar coins: the tradition is, one coin goes to the member who first greeted him/her and the other to the fifth member, however, who gets them is always at the discretion of the person making the acknowledgement. This is named for one of our members (who has since passed away) who always provided the dollar coins for this reward.
11. **Pin Drawing Gift:** To encourage members to wear their Rotary pin, those who wear one receive a raffle ticket when the official greeter welcomes them to the club meeting. At the end of the meeting, a ticket is drawn and the winner receives a small gift.
12. **50/50 Raffle Drawing:** Before the meeting starts, one of the members goes around selling raffle tickets for \$1 each, three for \$2, seven for \$5, etc. It is called 50/50 because 50% of the day's proceeds are awarded to the winning ticket holder and the other 50% goes into a "pot" that continues to grow until it is won. The ticket is drawn, the winner gets the cash from the day and the opportunity to draw the King of Hearts from a deck dedicated to the current pot. Sometimes the pot is won when there's just a few hundred dollars in it. One time the pot got up to \$4,000. The higher the amount in the pot, the more tickets members buy, in an attempt to win it all. If they get the King of Hearts, the winner takes ALL. Often times they donate the money back to the Club, or purchase a Paul Harris Fellowship, or donate it to a specific project. If any other card is drawn, it's discarded and the winner may choose to keep the 50% from the day or donate it back to the club.
13. **Closure with the Five Way Test:** A member closes the meeting by reciting the Five Way Test of things that Coral Gables Rotarians think, say and do. The Four-Way Test is used by Rotarians **world-wide** as a moral code of ethics for personal and business relationships. In Coral Gables we added a 5th - IS IT FUN FOR ALL CONCERNED! Because Coral Gables Rotarians like to have FUN.

6. Types of Memberships

5 Types of Memberships:

(1) Active Rotary Member: Must attend at least 3 of the events per month. An event may include: weekly meetings, socials, committee meetings, service projects. Fees include the Annual Dues and all lunch meetings. Active Rotary Members receive a Permanent Badge.

(2) **Associate Member:** Must attend at least 2 of the events per month. An event may include: weekly meetings, socials, committee meetings, service projects. Fees include the Annual Dues and any lunch meeting the Associate Member attends (pay at the door). Term is one year. At the end of the one year term, it is expected that the associate member become a Rotary Member. Associate Members receive a Temporary Badge.

(3) **Corporate Member:** A company may elect a Corporate Membership and name a Primary Member to represent the company. The company may also elect no more than two Alternates to fill in (\$30 registration charge for each alternate). The Primary Member or at least one Alternate must attend at least 2 of the events per month. An event may include: weekly meetings, socials, committee meetings, service projects. Fees include Full Initiation, Annual Dues and any lunch meeting the Primary Member or Alternates attend (pay at the door). If more than one person attends a meeting on behalf of the company, each attendee must pay registration at the door. Corporate Members receive a Permanent Badge.

(4) **Rule of 35 Member:** Must be under 35 years old at the time of induction and expires at the 35th birthday (max 10 years). The Rule of 35 Member must attend at least 2 of the events per month. An event may include: weekly meetings, socials, committee meetings, service projects. Fees include reduced Annual Dues and any lunch meeting the Rule of 35 Member attends (pay at the door).

(5) **Rule of 85 Member:** Active Rotary Members who meets the following: (1) the sum of his/her age AND the total number of years of membership in one or more clubs equals 85 or more; (2) has been a member of one or more clubs for at least 20 years; and (3) has notified the club Secretary in writing of his/her desire to elect to be a Rule of 85 Member. If approved, participation in events is not required. Fees include the Annual Dues and any lunch meeting the Rule of 85 Member chooses to attend.

7. New Member Application

We are excited you are interested in becoming a Member of our Club. We take great honor in our members and carefully review all applications to assure each applicant will be a good fit while meeting the expectations of each potential member. We are looking for dedicated and innovative members who represent leadership and commitment to service in the local and/or international communities. In order to be considered for membership, you must have attended at least 3 meetings. When ready, please [Click Here](#) to complete and submit (or print) a Membership Application for consideration. You can either submit online or print and bring to the next club meeting.

The Rotary Club of Coral Gables is one of 51 clubs in District 6990 which includes Southeast Florida, the Florida Keys and Grand Bahama Island

9. Some of the Fun We've Had!

Coral Gables Rotarians like to have FUN together. We do it as often as we can. We have fun raising money. We have fun doing service projects. Rotary is supposed to be FUN. And so we decided to modify the traditional Rotary Four Way Test of the things that Rotarians Think, Say and Do ... we added a Fifth Way Test ...

11. TRF Fundraiser | The Chris Morrison Memorial Golf Ball Drop

In 2010, Bill Gates challenged Rotary International to match his \$25 million donation to eradicate polio. Rotary in turn, challenged every Rotary Club around the world to come up with a fund raiser to answer that challenge. But long before that, one of our past presidents, Christopher Morrison (2004-2005) came up with the Helicopter Golf Ball Drop to raise money for The Rotary Foundation. The idea is to sell numbered golf balls for \$25 each to members throughout our District (6990 runs from the Broward/Palm Beach county line to Key West and includes Grand Bahama Island - some 2,200 members) and then drop them, from a helicopter, onto The Biltmore Golf Course. The three balls that land closest to the 9th hole win the three prizes. Since it's inception in 2004, the Helicopter Golf Ball Drop has raised more than \$500,000 for The Rotary Foundation Annual Fund. Chris passed away unexpectedly in 2016 and District Officials named the Ball Drop in his honor.

12. Fundraisers | From the Old Days

The Rotary Club of Coral Gables has always been known for our generosity. We work hard to raise money for lots of worthy causes beyond Rotary Initiatives. And we do that by coming up with fund raisers. For 15 years, from 1992 through 2007, we produced the annual Rotary Promenade, a progressive dinner that visited different locations throughout Coral Gables. There was food and entertainment at each of the sites. Parties were taken from one site to another by Trolley. We gave 85% of the proceeds from the Promenade to the Beneficiary of the year. The remaining 15% remained in our Club's Foundation, to help fund the many grants that we give out.

BUT THAT'S NOT ALL ... [Read More](#)

14. Exchange Programs | Group Study Exchange (GSE)

The Rotary Foundation's Group Study Exchange (GSE) program is a unique cultural and vocational exchange opportunity for business people and professionals between the ages of 25 and 40 who are in the early stages of their careers. The program provides travel grants for teams to exchange visits in paired areas of different countries. Currently, Rotary International is not sponsoring the GSE program any longer. However, the GSE program continues to exist only in Districts that sponsor the program. [Read More](#)

15. Exchange Programs | Youth Exchange Program

Rotary Youth Exchange builds peace one young person at a time. Students learn a new language, discover a new culture, truly become global citizens and develop friendships that last a lifetime. Exchanges for students ages 15 to 19 are sponsored by Rotary Clubs in more than 100 countries. Owen Freed, a former Rotary Foundation Scholar, President of our Club in 1968-69, District Governor in 2005-06 is credited with founding the Rotary Youth Exchange Program. He was one of the first outbound students when he was in high school in 1946. As a Coral Gables Rotarian, this is something of which you can be very proud. [Read More](#)

20. Community | Coastal Clean-up

Every September, the Ocean Conservancy sponsors an International Coastal Cleanup. And they can always depend our club members to volunteer. Scores of Rotarians, Interactors and friends work to remove trash and debris from beaches and waterways, to identify the sources of the litter, and to change the behaviors that cause pollution in order to protect our oceans, watersheds and wildlife from trash and debris. Coastal Clean Up is every Rotarian's opportunity to "Get Dirty" and the big competition is to see who bags the most trash - by weight. [Read More](#)

21. Community | Coral Gables Womans Club - May Van Sickle Dental Clinic

The Coral Gables Children's Clinic (formerly "May Van Sickle dental clinic") provides free dental care for needy

school-age children in Miami-Dade County - children whose parents work hard, but cannot afford costly dental care and are often ineligible for public health programs. Our club supports this program with grants to the Coral Gables Womans Club, the group that created and operates this program. 22. Community | Chapman Partnership

Our involvement with Chapman Partnership goes back to 2002. We support the mission of Chapman, "To empower the homeless to build a positive future through a comprehensive suite of programs and services, critical to growth and self sufficiency. They are the model program for the rehabilitation of the least and lost of our society. We support Chapman throughout the year by providing funds to send the children to camp, providing school supplies for the start of every school year, and toys for Christmas. We even donated the decorations for their Christmas trees. We are the only Rotary Club to have membership in the CPH Empowerment Circle. The Rotary Club of Coral Gables name is proudly displayed on the wall at the Homeless Assistance Center. One of our most beloved service projects is on Thanksgiving when we donate the money for Thanksgiving dinner and then volunteer our time to prepare and serve the residents at Chapman. [Read More](#)

**A PARTNERSHIP BETWEEN ECOWORKS INTERNATIONAL (EWI)
AND THE ROTARY CLUB OF CORAL GABLES**

THE GOAT PROJECT, MARRE-ROSEAU, HAITI

Description:

- ◆ The goal is to improve the lives of smallholder mountain farming families who live in extreme poverty: the community has no water, sewage, or power. With EWI's training and support, they have opened an agricultural cooperative, which they own, control, and manage. As a cooperative, they chose for their first project to increase their goat herd. A goat serves as a ◆four-legged savings account◆.
- ◆ Project will purchase 13 female goats and 2 male goats. Farmers decided to pay 20% of the price per goat, which will go to the new cooperative to build-up capital. Each family will give the first-year kid to another family who will also pay 20% to the cooperative.

35. International | The Honduras Project

The Honduras Project

Rotarians from the Rotary Club of Coral Gables watched as a woman in an indigenous mountain community of Copan made a tortilla and cooked it on an eco stove, which she had just received one day before. The Rotary Club of Copan, the Rotary Club of Coral Gables and the Stove Team Organization, <http://www.stoveteam.org/> have recently completed a project to bring these stoves to remote areas where cooking is done on either open fires or stoves which destroy the environment by utilizing the tree canopy as fuel and create a lot of smoke which the families and children breathe. The Eco Stoves cook with small branches and generate heat for cooking without smoke and with small branches which are a renewable source of fuel. After our visit to the factory where the stoves are made locally in Copan, and the visit to the mountain village we were treated to a delicious lunch of empanadas, chicken, rice, plantains and dessert. The chicken and empanadas were cooked on the Eco Stoves. Delicious ! One of our cooks who didn't have one of the Eco Stove was given one that day by Rotary Club of Coral Gables Rotarians.

U.S. Military | Homes for Homeless Vets

In 2014, then Community Service Chair, Lorraine Sheldon, an interior designer by trade, got the Club involved in setting up households for veterans who had been homeless and were finally provided an opportunity to have a home of their own and get off the streets. But they needed basics like cookware, linens, dishes, drapes, carpets, bedding and of course furniture.

First she secured a grant from our Civic & Charity fund. Then we set out to raise money wherever and whenever we could - we raised \$820 in TIPS selling beer at the Coconut Grove Bed Race. People are VERY generous when they know that the money is going to help our nation's heroes.

Lorraine went to all her suppliers and told them about the project. Then with a little arm twisting, she secured lots of free stuff and discount prices on all the items we couldn't get for free. When we were done, there was enough money to furnish apartments for four homeless Vets.

Lorraine was honored as Rotarian of the Year for 2014-15 for her outstanding work for the Homeless Vets.

40. Fellowship | Moose Milk

The Moose Milk Story

The year was 1972. Dr. Roger Mumm, a Coral Gables dentist and Rotarian, invited a few friends from the Club to stop by his place on New Year's Day to imbibe in the proverbial hair of the dog. The story (as it was told to me) is, Cleve Allen, Jim Barker, Mel Greene, Bob Strawser, Ed Swan and several others showed up at Roger's with serious expectations about their condition on New Year's morning. As promised, Roger provided them the perfect cure for what ailed them ... Moose Milk and plenty of food. Apparently, by the time the Bowl Games started, Roger's wife had to call for help to get the fellows moving again! And so began the tradition of Moose Milk. You eat, you drink a little milk, you eat some more and then drink a little more.

By the time the games come on, you're ready for a nap, usually around 2 p.m. The party grew in popularity. The recipe remains a secret still today. Finally wives were invited - apparently because designated drivers were needed to get the guys home safely! As the years passed, special napkins, name tags and all kinds of other novelties were created to commemorate this annual party. There was even a special moose. Roger retired and moved upstate but he donated the party favors to the club to be used at the last Moose Milk party he attended, at the home of Terry & Emil Claus in 1997. Now, more than 40 years later, Moose Milk has become our most popular club party. It's the way Coral Gables Rotarians start off every New Year - together at the home of a Rotarian - in fellowship - eating too much good food and milking the moose till he (or we) drops. It has been said, you cannot call yourself a Coral Gables Rotarian unless and until you have consumed your portion of the magic brew. [Read More](#)

41. Fellowship | Annual Fourth of July Picnic

In 1997 we decided that it wasn't practical to have a regular Rotary Meeting the week of July 4th. Too many folks are traveling. But those that remain in town always like to have a little fellowship for the holiday. So we make it a practice to have a Fourth of July Party every year. We rent the old stone pavilion at Matheson Hammock Park from 11:00 AM until 2:00 PM. We have Shorty's Bar-B-Que cater the lunch. And we party! The kids come. The spouses come. We have a FUN time and it doesn't interfere with the fireworks and celebrations later on in the evening. And after all ... FUN is what we really do best! [Read More](#)

42. Fellowship | Fifth Fridays

The Story of the 5th Fridays

The year was 1996. Our Club President-Elect was (not yet Mayor) Don Slesnick. He appointed Sally B to his Board of Directors and made her his Social Chair because of her long experience running special events in the City of Coral Gables. The direction he gave her was come up with a regular social event that can include spouses and friends and engage Rotarians with each other outside of our weekly meetings.

At that point in time there were a number of members in the Club that liked to get together for cocktails on Friday nights after work at various watering holes around downtown Coral Gables. Most frequently they hung out at Doc Dammers in the (at that time) Omni-Colonnade Hotel. Whenever they were spotted by other members of the club, the inevitable question was, Is this an official make up meeting? And so it was only logical that the best kind of social event would involve food and libations. And it was probably best done on a Friday evening. Now what we needed was an excuse!
