

Dear Fellow Rotarian:

September 9, 2020 officially kicked off our 2020 Rotary Raffle Fundraiser. This will likely be our only major fundraiser this year. **WE NEED YOUR HELP AND SUPPORT!!**

This year the price of a ticket has been reduced to \$25 for one ticket and 5 tickets for \$100. The prizes this year will be \$2,500 first prize, \$1,000 second prize, \$500 third prize. All tickets will be purchased online and we have made it very easy to relay the link and to buy tickets.

Our goal is to sell at least 1400 tickets. This equates to 10 tickets per Rotarian. We hope that you will do your part by reaching out to friends, colleagues and family for their support of the worthwhile programs we sponsor.

Although there will be incentives for ticket sellers, the real incentive should be to support the amazing works and projects we are involved with. Whether it is scholarships, water projects, Challenge Air, Turkeys Take Flight, wheelchairs, or one of our other projects, there is something that should resonate with you or others - enough to make it worthy of your contribution. Think of this as a Go Fund Me page with benefits.

Even during these times, we still have a commitment to our community and to **Service Above Self** to continue doing good things for the benefit of others. We are counting on you to play a meaningful role this year in raising the funds necessary to continue our mission. [Click here to purchase tickets.](#)
Thank you in advance for your support.

Best regards,

Perry Monioudis
