Guest Speaker on July 14

Join us at Treesdale Golf Club at noon on Wednesday. Chuck has an exciting and informative program lined up:

Ralph Crewe -

1st degree connection

Community Outreach and Engagement Manager at Pittsburgh Robotics Network, freelance science communicator, content creator, writer, and curious person. After 10 years in the museum industry, including at the Carnegie Science Center, as a science communicator, I am now a freelance science writer and content creator. Along with the content that I create for others, I am the creator of Isn't That Something, a quirky new educational YouTube channel exploring a wide range of topics with a fast-paced, comedic, and informative style.

Pittsburgh Robotics Network -

Our organization produces events, webinars, forums and conferences, all created with the purpose of building bridges, forging new relationships and fostering a strong business community unified by robotics. The Pittsburgh Robotic ecosystem consists of a broad range of stakeholders including CMU, market leaders, startups, investors, suppliers, service providers and the communities that surround us.

July 21 Program: Jim Roddey

Join us for lunch at Treesdale at noon on July 21st, when our own Rich-Mar Rotarian, Jim Roddey, will be sharing one of his humorous and always entertaining "Wild Card" programs.

I'm giving you a heads up, because your editor will be on vacation for the next two weeks, so there will be no Rich-Mar newsletter on July 20th. (I know you are heartbroken.)
