Guest Speaker August 18th: Corina Wack

Join us at noon on Wednesday at Treesdale Country Club when our guest speaker will be Corina Wack, who will be speaking on Sixth Mass Extinction. This is the mass extinction of species that is currently in process.

Corina earned her PhD in biological sciences from Duquesne University in 2011 and went on to teach at Chowan University in North Carolina for 7.5 years. Three years ago she gave up tenure and switched careers to become a financial professional with New York Life. Although she has made a drastic change in careers, she still loves science. During her education and career, she studied hormones and behavior in a number of amphibian and reptile species. She has diverse knowledge in a number of areas including ecology, physiology, ethology, and neurobiology. She will be discussing the current mass extinction that the planet is f

Two Great Community Service Opportunities

I hope you enjoyed serving at the PARC Picnic last Wednesday. I'm sure the folks who came to eat and play bingo had a wonderful time. Thanks to all of you who helped to serve - especially Tom McMeekin who provided all the food, and Mac Purvis who did his magic preparing the corn on the cob.

Another opportunity to perform a hands-on service to the community is at the Mars Borough New Year celebration on August 27 and 28th.

We need volunteers to park cars along E. Railroad St. and around the Masonic Hall, Friday 3:30-6:00 and Saturday 10:30-12 noon. We also need volunteers to help exhibitors to set up along Pittsburgh Street and Grand Ave., Friday afternoon 2:30 to 5 o'clock and Saturday evening at 9 PM to help exhibitors with breakdown and area cleanup. A sign-up sheet will be passed at upcoming meetings or you can text Joe Mancuso at 412-443-5840 to sign up.

In addition, please mark your calendars for a **MHY service project on September 11, 2021**. More information to follow.

Four Way Test

OF THE THINGS we think, say or do:
1) Is it the TRUTH?
2) Is it FAIR to all concerned?
3) Will it build GOODWILL and

BETTER FRIENDSHIPS?
4) Will it be **BENEFICIAL** to all concerned?
