Make sure to keep her in your prayers and send good vibes Elayne's way!
- Karen is excited that her son is going to look at a house today and hopes that the seller's accept the offer!
- Jack tested positive for COVID, please keep him in your thoughts and prayers.

- **District Grant Program:** Mike Ozdinec is working on getting Operation Warm up and running.

Matt is going to handle setting up the QR Code and updating the website with information regarding the event.

### Fun Facts:

- The second US National Park that was created is now no longer a national park. Mackinac National Park in Michigan was established in 1875 and returned to the state in 1895. It is now one of Michigan's State Parks.
- Mesa Verde National Park was the first national park to be recognized for works of man, an acknowledgment of the incredible cliff dwellings left behind by the Pueblo Indians.
