OPAL Event

The OPAL event was a tremendous success with over \$1600 raised for the Rotary Club Foundation. Rotarians joined PBX to gather with some of Pittsburgh's top minds and talents to share an evening at Fogo De Chao. Special thanks to Gary White, Ethan Nicholas, and Ken Gress, Sheen Sehgal, Bevin Baker, Claudia Wendel, Jim Droney, Kiana Tralongo, & everyone who helped out!

Blood Drive

We had a blood drive in partnership with Life's Work and Vitalant in November that facilitated 10 much-needed donations. There will be another blood drive hosted by Dr. Claudia Wendel at EyeGotcha in February. The need for blood is dire in our area, so be sure to donate if you are able to!

See a Penguins Game, Support the Cause

Our District has partnered with the Pittsburgh Penguins to offer our membership access to discounted tickets for the April 10th game against the Nashville Predators. **\$10 from each ticket purchased will be donated back to Rotary District 7305!**
