### RCP Board Update

The Board is making consideration for a new meeting format that would include **two monthly NOON meetings** at either the Omni William Penn or Fogo de Chao as per our standard format. We would also host **two monthly meetings at the end of the business day or early evening** at a predetermined location. These might be centered around a service project or fund raising opportunity. More details to follow...

[RCP Foundation Committee Representatives](#) have been confirmed for the 2021-2022 Rotary Year.
