Proposed Provision of mechanized borehole Water in deprived Communities

The Rotary Club of Accra Labone, through WATSAN identified some communities in the Ga West Municipal Assembly to provide portable drinking water. After undergoing a needs assessment survey in the communities and thorough engagement with the leaders, the provision of a mechanized borehole with an overhead reservoir tank and a tap distribution point will be best for this communities since the hand pumps from old wells are all not functioning or working properly. The Rotary Club of Accra Labone chose these communities with the assistance of Ghana Rotary WATSAN committee and their report recommendation of what type of well will be better for them. Our club also took into consideration the following;

- The populations size, their source of drinking water.
- Water related diseases

Zoom Meeting Invite

The Rotary Club of Oyster Point is meeting via Zoom; which will continue until we hear it is once again safe for us to gather. Hopefully soon!

Join Zoom Meeting

Each of the 68 teams gets randomly assigned.

If your team covers the spread and wins the game, then you advance to the next round with that team. If your team loses the game but covers the spread then you takeover the winning team and advance.

If your team loses and doesn't cover the spread then you are eliminated.

The spread used will be from ESPN's website.

The limit on entry is 4 teams, \$25/team.
