Monique Hampton

Education Foundation director hired to boost support for students and teachers

Newport News Public Schools and Newport News Education Foundation have jointly hired Ms. Monique Hampton to serve as Director of the Foundation and as Corporate Partnership Liaison for NNPS.

In this capacity, Ms. Hampton will support both the school division and Education Foundation by building corporate partnerships and raising funds to support the mission of ensuring all students graduate college, career, and citizen ready.

Ms. Hampton brings a wealth of philanthropic experience to the foundation and Newport News Public Schools, having served in higher education, non-profit, government, and media organizations. In her former role as Associate Director of Donor Relations at DePaul University in Chicago, she developed and proposed a university-wide donor stewardship program to acknowledge, recognize, support, and engage donors. She has a proven track record of achieving superior business results with expertise in marketing and business development as well as experience in major gift development with University of California Advancement Team in San Diego, California.

Monique Hampton truly excited about this opportunity to support the Newport News community and serve alongside the Education Foundation and School Board as Director of the Foundation. I believe we all share the same enthusiasm and heart for service and giving, and we understand how important it is to dedicate ourselves to the partnerships we are afforded within each philanthropic opportunity, Ms. Hampton said.

She added that, Newport News has a bright future ahead of it, and the teachers and staff, along with the surrounding Newport News business community are poised and ready to serve our student learners through a massive grassroots outreach effort. My goal is to harness their enthusiasm, connect them and their resources to the students and families, and advance the vision of the School District and the mission of the Education Foundation.

We are pleased to welcome Ms. Hampton to our team in partnership with the Newport News Education Foundation, said Dr. George Parker, III, superintendent of Newport News Public Schools. Her ability to work as a collaborative, assertive, and creative fundraiser will be an asset to the Newport News education community, he added.

Foundation President Dr. Robin Nelhuebel said she looks forward to a robust development program under Ms. Hampton that will strengthen community support for education and help us provide even more assistance for students and teachers.

Football Pick'em / Survivor Contest

By Jeffery Andrew Trimbur on Friday, August 20, 2021

It is football time again! We are starting our pool like last year. If you signed up last year you are already registered. If you would like to join click the link/s below. Each pool is \$50 and billed to your account, the winner gets 50% of the pool total. We are looking into a weekly Pick'em for those who want to do one week contests. Still working out the details. First game is Thu, 9/9 8:20 pm ET.

The Pick'em pool lets you pick the winner of all the games and the number of points in the Monday night game as a tiebreaker. Whoever has the most wins at the end of the season wins the pool.

The Survivor pool is more complicated. You pick one team that you think will win. If they win you continue to the next week, but can not use any team you picked before. This continues until only one player is left.
