Dynamic Transition

My vision for fitness has always been more than just losing weight or lifting weights

After retiring from the Navy in 2001, I worked at different gyms and quickly found my passion working with clients with physical issues and debilitating diseases. Management and members noticed my unique ability to work with clients struggling with debilitating issues like Parkinson's, Muscular Dystrophy, Multiple Sclerosis, Alzheimer's/Dementia, after Stroke care as well as special needs population. It wasn't long before I created Dynamic Transition. A place for those who struggled with daily activities but had hope that even with their limited capabilities they would one day be able to regain and maintain their dignity and independence. My training method is built around the unique abilities and goals of each one of my clients, with the aim of not only achieving goals, but also enriching lives. I discovered that thru basic functional movements and an understanding of my clients challenges I could both create an individual program for each but could also increase their understanding of functional movements

Football Pick'em / Survivor Contest

By Jeffery Andrew Trimbur on Friday, August 20, 2021

It is football time again! We are starting our pool like last year. If you signed up last year you are already registered. If you would like to join click the link/s below. Each pool is \$50 and billed to your account, the winner gets 50% of the pool total. We are looking into a weekly Pick'em for those who want to do one week contests. Still working out the details. First game is Thu, 9/9 8:20 pm ET.

The Pick'em pool lets you pick the winner of all the games and the number of points in the Monday night game as a tiebreaker. Whoever has the most wins at the end of the season wins the pool.

OP Rotary Pick'em, on CBSSports.com and want you to be a part of the action. Join the pool!

The Survivor pool is more complicated. You pick one team that you think will win. If they win you continue to the next week, but can not use any team you picked before. This continues until only one player is left.

OP Rotary Survivor, on CBSSports.com and want you to be a part of the action. Join the pool!
