Over the last 40 years, she has worked on behalf of children and families in government, schools and non-profit organizations. Her collaborative leadership style has advanced equitable child outcomes in three different state early childhood systems (MD, AZ, NC) and she is happy to bring that experience to the local level here on the Peninsula.

Diane has a bachelor's degree in Elementary Education and graduate studies in Early Childhood Administration and Organizational Development. Diane grew up in a military family living in Virginia Beach from 6th grade through high school graduation. Her parents and brothers still live there.
