By Jeffery Andrew Trimbur on Thursday, October 7, 2021

Holly Koons is the executive director of the new Mary M. Torggler Fine Arts Center at Christopher Newport University. She brings her vision for the Center as it supports the core mission of the University and engages the public through excellence in its exhibitions and educational programming.

Koons is the former executive director of the Arlington (Va.) Arts Center where, over a four-year span, she directed the organization's administration, development, and creative strategy. Previously, she amassed twenty years of experience in non-profit visual arts curation and management including serving as executive director of the Greater Reston (Va.) Arts Center (now the Tephra Institute of Contemporary Art) and director of collections and exhibitions at the Telfair Museums in Savannah, Georgia. There, she was responsible for the care, display, and interpretation of the Telfair's collection of nearly 5,000 works of art, as well as an ambitious schedule of twelve to sixteen changing exhibitions annually. Koons participated in planning the Telfair's new contemporary building, and developed and presented dozens of exhibitions there. She holds a BA from the University of Georgia in English and Art History, and a MA in Art History from the University of Notre Dame.

Football Pick'em / Survivor Contest

By Jeffery Andrew Trimbur on Friday, August 20, 2021

It is football time again! We are starting our pool like last year. If you signed up last year you are already registered. If you would like to join click the link/s below. Each pool is \$50 and billed to your account, the winner gets 50% of the pool total. We are looking into a weekly Pick'em for those who want to do one week contests. Still working out the details. First game is Thu, 9/9 8:20 pm ET.

The Pick'em pool lets you pick the winner of all the games and the number of points in the Monday night game as a tiebreaker. Whoever has the most wins at the end of the season wins the pool.

The Survivor pool is more complicated. You pick one team that you think will win. If they win you continue to the next week, but can not use any team you picked before. This continues until only one player is left.
