David announced that Karl is happy to have scored his 8th hole in one! Congrats!

Lupe was just Happy to be here!

On not so happy a note, Bill P. announced that Asst. Governor Sue Bryant's son passed away this week. Please keep her and family in your thoughts and prayers.

Board Meeting is scheduled on Thursday, September 17, at 5:15 at Cincinnati Chili. All members are welcome to attend and remember this counts as a makeup. Just remember to let Sandy know anytime you have a makeup to record. This helps with our attendance numbers.

District Conference is November 8-11 in Virginia Beach. Rooms are very affordable at the new Marriott. Jim remembers back when he was president the first time, the conference was at the Beach and many of our members attended.

Bill P. announced that there will be a virtual district foundation event and encouraged members to sign up. The date is set for October 1.

Joe F. reported that his organization continues to feed the community 6 days a week. The need is growing and it expands to many walks of life due to the pandemic. He also continues with the Farm to us program thru October. The refrigerator project is moving forward after a few bumps but seems to be on target now. There was a nice article about Joe and his organization in the Sunday paper. Congratulations on this accomplishment and all that you do for our community. Getting involved is so important so anyone interested can go out on Mondays to Tidewater Community College, Portsmouth, to lend a hand.

Debra announced that she talked with Joann at Oasis and they are in need of servers for breakfast hours for dates in October, November and December. Anyone interested in helping can call Debra at 757 434 1702.

CLASSIFICATION TALK SEPTEMBER 15, 2020

By Sandra R. Stewart on Wednesday, September 16, 2020

This week's classification talk was given by our newest member, Maureen.

She was introduced to Rotary by Jim and Bill B.

She was born and raised in Brooklyn and Queens, New York. She states she was a love child born in 1969 and love and peace is her motto! She is the youngest girl and has 3 brothers and one sister.

When growing up as a kid, she enjoyed going into the city and frequenting the various stores such as Italian, Jamaican and German. She loved the variety and the experience of this. She also played in the streets with other children and loved to paint and draw. She had some of her artwork on display at the meeting. She also hosts paint nights in her home with friends. I'm interested Maureen!

She loves theater and loves to dress up. She once played an angel at church, French maid, Barney the purple dinosaur in New York and a dog for a play in Norfolk entitled All Critters go to Heaven!

She loves making jewelry and sculpting. She had on display some of her creations for sale! She is so very talented.

She started a women's group at her church and held semi annual retreats attracting 25-30 attendees. She loves to share her joy and ability to enlighten these women.

She also loves to arrange flowers and states it is a great outlet for her. Flowers represent love. She had a few on display for sale. Jeff purchased one for his anniversary and hopes it will head him toward year 26!

She loves being a creative dresser and each week I look forward to seeing her outfits! Very tastefully selected and worn!

She is married to her husband Eric now for 16 years and they have one son, John, who is 14. John is amazing she says and is smart, loving, thoughtful and loves all sports. He recently won a soccer tournament in Williamsburg which she is so proud of.

They as a family love the beach, tennis and family walks.

As to her career, she at age 15 wanted to begin making money! First job, delivering newspapers did not last too long. Then she delivered circulars to apartment complexes with many of her friends. This was a fun job! She then went to work at a candy video store but these jobs were only temporary. She decided that working in the dental field was for her. She worked for several dentists in New York area and Hampton Roads and then landed a position with Bill B. After 4 years due to turning economy she was furloughed from this job. She worked in Hampton for one year and was then called back to Bill's practice. She has been there for 2 years and loves what she does. She states that she is able to use her creative skills and it is an art.

She was asked why she moved from New York and she responded that she was tired of the fast pace and wanted to enjoy life. Virginia is for Lovers and love is in the air.

Her husband is an engineer and they are opposites with her a Sagittarius and Eric is a Leo.

Summing it up, Maureen is outgoing, adventurous, creative and god loving! We are fortunate to have her as a member of the Rotary Club of Churchland. What talent and an asset to our local club!

Thanks for sharing some of your history with us!

RECAP OF BOARD MEETING SEPTEMBER 17, 2020

By Sandra R. Stewart on Monday, September 21, 2020

The Rotary Club of Churchland held a Board Meeting on Thursday, September 17, 2020, at Cincinnati Chili at 5:15 p.m.

The minutes of last meeting were approved as read along with Treasurer's Report. Both Reports are on file.

There were no updates to report for International, Foundation and Membership at this time.

A discussion regarding an alternative investment for the CD monies was held. Pam introduced an opportunity for a short duration fund yielding 1 to 2% with a possibility of principal fluctuation with no penalty for withdrawal. The Board voted to table the idea for now and revisit in the future.

The Board is considering holding a 50/50 raffle and is now being finalized to present to the club.

Debra and her committee are calling those members not able to attend our meetings to encourage them to attend by Zoom or in person.

The Board voted to donate \$250.00 to Mercy Drops for its upcoming Bowling fundraiser.

Jim presented an opportunity for us to donate to Portsmouth Volunteers for the Homeless. He will get more information and present at next meeting.

Debra indicated that Oasis is looking for volunteers to prepare and package breakfast and dates are available in October, November and December. She will prepare a sign up sheet and have available at the next meeting. This is a great opportunity for us to get active and help those in need in our community.

DISTRICT GOVERNOR

By Sandra R. Stewart on Wednesday, September 16, 2020

District Governor Judy Cocherell will be visiting us on Tuesday, August 22, 2020. Please plan to attend in person or Zoom. Let's show our support for District 7600!
