OCTOBER 13, 2020

MY FELLOW ROTARIANS, WE HAVE ENTERED THE SECOND QUARTER OF OUR ROTARY YEAR.

My fellow Rotarians, we have entered the second quarter of our Rotary year. To say the least, it has been quite a challenge because of our Pandemic crises. No one could have even imagined the challenges that everyone has experienced both personally and professionally as we navigate through the year.

I understand that our own personal interests including family, job, finances and health are our priority, as well they should. However, I urge all members that they do not let Churchland Rotary Club fall through the cracks.

We have worked hard to make the Tuesday morning available to everyone. Dave Stephenson has worked tirelessly to make the Zoom meeting available. We have had our share of technical difficulties, but be diligent on signing in.

Alice and Stephanie provide excellent breakfast options every Tuesday.

Even if you can't make the Tuesday meeting, there are other meetings in the district that you can attend. If you are having a hard time doing this, please call a fellow Rotarian and just say hello and tell us what you're doing.

It has been an active quarter thus far for the club. We have had a visit by the DG Judy Cocherell. Other weeks we have had our own members give their classification talks, which has been truly insightful about our members. The wealth of talent in our club is amazing!

We have District Conference coming in November at the oceanfront. Peanut sales are coming up, which will be vital for our club, since our other fund raisers have been postponed.

I urge everyone to be safe and healthy. Be kind to your neighbor, do something nice for somebody. In a time when our world is in upheaval, we are Rotarians and can do our little part to make it a better place.

President

RECAP OF MEETING OF OCTOBER 6, 2020

President Jim called the meeting to order. Marshall led us in prayer, Pam in the Pledge and Charles with the 4-Way Test. Charles even knew it without looking!

A delicious breakfast was served by Alice and Stephanie. They make our Tuesday mornings so special. Give them a shout out next time you pick up your plate!

Anniversaries this week are Bill Pollard, Keith Horton and Charles Berge.

Birthdays are Margaret Lane and Joe Friszolowski

Congratulations to all.

The Happy \$'s were flowing this week. Pam was happy that she had the opportunity to visit her daughter in Arizona where she is searching for a college. Good Luck. Debra was very happy as the construction on her upper deck started in May has resumed and the deck is back together. Yeah!

CLASSIFICATION TALK ON OCTOBER 6, 2020

Terry Fraley said he enjoys Rotary and the club. He has been in other organizations and this is by far his favorite. He loves the team spirit and the way we get things done.

He has been on the board of the Humane Society for 9 years. They like all other organizations need volunteers. With Covid it has been hard for all organizations to fund raise.

He was born in Kentucky and soon moved to Ohio in a mobile home with wheels that can go flat!

He said that Cincinnati Chili is a big deal in Ohio. When he first opened here in Churchland, it was to be take out but soon expanded from 1300 to 3000 square feet.

He and his family ran a restaurant by Maryview called Joes. They decided to combine Joes which served chicken salad and Cincinnati Chili to offer both chicken salad and chili!

He went to the University of Delaware where he received his degree in Business. He is a big supporter of trade schools and indicated that we need more students learning a trade.

He then moved to Virginia where he started out at the Sheraton at Military Circle. He next went to the Omni at Waterside where he was in charge of food and beverage. From there he traveled on to the Chrysler Museum in charge of catering events. This is where he learned a lot about artwork and has a fond spot in his heart for art. He remained at the Chrysler for 7 years and also ran the restaurant.

His next station was Eatgo in Norfolk on Colley Avenue. He was there for 6 years then went to work in Portsmouth Olde Towne.

He found his next opportunity when he and his family combined Joes near Maryview and Cincinnati Chili. The restaurant is coming up on its 1st year of business. He works 80 hours and week and loves to interact in front with the guests. They prepare and cook everything on site.

Something you may not know about Terry but he loves music and dabbled in hip hop and then moved on to country. He went to Nashville where he produced music and tried that scene for a bit but decided not for him. He does still write songs though.

He also is a RE broker at RE/MAX and taught commercial real estate for 4 years.

Terry loves animals and has 8 rescue at this time.

He has been a member of the Rotary Club of Churchland since June 11, 2019. Terry is a great

addition to our club. He has great energy and ideas that he has shared with our club. We welcome you and are glad that you chose Churchland as your club!

OASIS

This past Sunday, October 11, 2020, we had the opportunity to prepare and package around 60 meals at Oasis. Jim, Bill Barrera, Maureen, Lupe, David, Pamela M., Debra, Pam, Sandy and Dale were on hand to make it happen. There were biscuits and sausages to be placed on cooking pans and eggs to be cooked. Next they placed sausage and biscuit in a baggie and put in paper bag. The eggs when ready were put in small containers and then placed in bag. To complete the bag, orange juice, breakfast bar, salt and pepper, napkin and a plastic fork were added. These were then handed out at front door promptly at 8 am to arriving guests with bottled water and hot steaming coffee. This was a great volunteer opportunity and thanks Debra for organizing.

Dale and I had the opportunity to take a tour offered by Joann. It's an amazing facility.

Oasis Social Ministry is located at 800 Williamsburg Avenue, Portsmouth, va. Oasis is a private, not for profit, charitable corporation. Their mission is to provide comprehensive services to the homeless and the less fortunate in Portsmouth, Western Chesapeake and Northern Suffolk. Celebrating over 43 years of community service, Oasis was birthed by five local Catholic Parishes. Today it has evolved into an ecumenical multi-serving agency committed to helping individuals and families to meet their basic needs and to support their efforts of self-reliance and independence.

The next dates are November 8 and December 13. If you have not had the opportunity to participate, please consider for next time. Sign up sheet available at meeting.
