OUT WITH OCTOBER AND IN WITH NOVEMBER

THANK YOU Pamela and Nancy for greeting our guests and members in the month of October! We appreciate your coming early with that big smile on your face!

Terry and Rod are our proud greeters for November. I did not have a photo of Rod so I apologize. Thank you for volunteering your extra time early in the morning to make our guests and members feel welcome!

HIGHLIGHTS OF MEETING OF OCTOBER 27, 2020

President Jim called the meeting to order at 7:30 a.m. Marshall delivered the prayer, Kristen the Pledge and Margaret the 4-way test.

A delicious breakfast was enjoyed prepared by Alice and Stephanie, her daughter. Thanks for always giving us such a variety and for the cute little ghost cookie treat!

Jim welcomed those on Zoom this week. They were Dennis, Karl, Eugene, Leroy, Renae, Vernon and Wanda. It was great seeing you all and we encourage those members not able to attend to try out Zoom.

Birthdays this week are Les and Jeff. Happy Birthday guys!

Jim welcomed Kristin back and she shared with us what has been going on with Mercy Chef over the past many months. She is planted her taking care of the comings and goings and keeping all in order. They continue to serve meals each day as well as traveling to those places needing assistance. It was great seeing you and hope that you can join us when you are able.

Happy Dollars were spent by Lupe and Kristen and they were both happy that they were here and able to help people in the community.

District Conference is next week and Jim stated how easy it was to register and then present the paid invoice to David for reimbursement. Please consider coming for some of the conference this year as it is right out our back door! This year the District is collecting food for the food bank and is asking each club to donate. Jim is asking the Disbursement Committee to consider a \$250.00

donation. If approved, he and a couple of Rotarians will go out and purchase the groceries and take to conference as a donation from Rotary Club of Churchland.

Meals on Wheels needs our help. Please consider taking a hour out of your day to help with this project.

November 8 at 7 a.m. those that signed up for Oasis breakfast will meet downtown at their headquarters. Sandy will send out reminder to those on the list. Thanks again Debra for organizing this.

Bob announced that Veterans Day is November 11 and that on November 10 we will have a program most appropriate for this special holiday. Please put this on your calendar as we would like a good show for this speaker.

CLASSIFICATION TALK ON OCTOBER 27, 2020

Charles came prepared with his power point presentation and he nailed it!

Charles is currently President of Shared Hospital Services and has held this position since January, 2015. His first day on the job there was a Board Meeting and this was quite a start!

Since 1976 his company has laundered 500 million pounds of laundry. In a given year, they will do 17 million pounds and they employ 160 people.

He is married to his wife Marilyn who he went thru high school with. While he says they were not high school sweethearts, they did hit it off after that. They have three children living in Seattle, Austin and Iowa. The newest addition is a grandson who was born July 20, 2020.

He was born the last of 4 children(the baby) and grew up in Dixon, Illinois. His father was a jack of all trades and could do just about anything. He remembers fondly of him building boats, houses and roofing. His mother was a homemaker taking on the jobs of den mother and class mom. His parents taught him not to be afraid of challenges in life and that has stuck with him to this day. He graduated from Dixon High in 1978 and shared his high school picture with the group! What a brave man!

Some fun facts about his home town of Dixon, Illinois

It is a river town with a ferry crossing
Abe Lincoln was from Dixon and that is why Illinois is called Land of Lincoln
John Deere brought their wood plow there but it would not work so they invented the steel one
In 1972, the winners of the Dating Game won a trip to the Petunia Festival and were King and Queen of the parade
In 2012 Mumford and Sons held a concert in Dixon and 15,000 people showed up in a town of 15,000 people!
The city manager of Dixon embezzled 53M Dollars over a 40 year period and is in jail.

He married in 1980, had 3 children and has moved 3 times. He has spent 40 years in business, has visited 49 out of 50 states. He has been to Europe and the Caribbean. He sold textiles, did design work and consulted which is what landed him at Shared Hospital Services.

He enjoys his job and travel. He loves being a part of Rotary Club of Churchland and giving back to the community in which he lives. We are proud to call you one of our members, Charles and appreciate all your participation in our activities!
