### MEETING OPENER

DURAID will kick off the meeting tomorrow as our opener. Please plan to attend as your attendance is most important to the vitality of our club. Each week a member will open and it is in alphabetical order!

### HIGHLIGHTS OF THE MEETING JULY 6, 2021

President Debra called the meeting to order at 7:30 a.m. She opened the meeting with an inspirational bit called "Desiderata", the Pledge and the 4 Way Test. She welcomed those in attendance and Terry and Renae on Zoom. The members enjoyed a nice hot breakfast.

David announced that Tom Dusek has a birthday today so we wish him a great one. Rod will turn 69 on Thursday, Wanda 64 on Saturday and Sandy 72 on Sunday. Everyone sang Happy Birthday and wished them a great day!

Bill Pollard reported a makeup last week and Sandy will record it. Thanks Bill.

Next we had Happy Dollars--Lupe had \$10 to give and stated that her daughter got married and is expecting a child! Kristin was so happy that Rod fixed her plumbing issues and that David wished them a happy anniversary via text and Facebook. Charles Berge had a Happy 5 dollars for having all 3 kids visiting this past week and half to celebrate Father's Day and his wife's birthday. He stated it was a very special Father's Day. Debra expressed her happiness that the club had chosen her to lead during the 2021/22 year.

Kristen reminded everyone that she would be accessing fines for being late, not wearing your pin and having name/picture in news article. With that said, Pamela was late today and Kristin paid her dollar! The last Tuesday of the month will be reserved to spin the Rotary wheel to decide on amount of fine for that day. Let the fun oh I mean fines begin!

Debra called Wanda forward to present her with her past president pin. She served our club during the start of the pandemic and did an outstanding job to keep us moving forward. Debra presented her a book entitled Kid President--Guide to Being Awesome which will be donated in her name to REACH.

Next we heard from Dr. Douglas Duncan, Change the World Homeless Care/Bon Secours.

### DESIDERATA

Debra read this inspirational piece at last Tuesdays meeting and wanted to share it.

## HIGHLIGHTS OF PROGRAM ON JULY 6, 2021

Kristin introduced our featured speaker, Dr. Douglas Duncan. He graduated from University of Birmingham and is currently a missionary. He was also a flight surgeon in the navy where he states he had special healing powers. He lives in Virginia Beach with his wife and two amazing children, ages 16 and 18.

He offered up a prayer for us then proceeded to share his story. His children are both active missionaries and the entire family has traveled the world and locally to spread the word. He started off sharing that early on he felt he was doing everything right but something kept pulling him to his true purpose. They have done medical clinics all over the world. He tells us that people want to be touched and that this gives them a secure feeling. They first give the patients a physical, feed them and then give them a bag of goodies. These bags he calls blessing bags hold items such as protein bars, socks, water, lotion, soap, wipes, shampoo, toothbrush and paste, razors, sanitizers as well as other things.

His work has not only helped those less fortunate in the world but has helped his family find their purpose and have flourished.

Thank you for the enlightening program and for all the good you spread throughout our community and the world. You remind us of what Rotary is all about as to Service Above Self!

## BOARD MEETING
