NO ZOOM MEETING TOMORROW

Just a reminder that there will be NO ZOOM meeting this week. David will return next week!
Happy Vacation!

CLUB OPENER THIS WEEK

This week BOB BREWER will open our morning meeting. Thanks to all members for their innovation and lifting openings!

HIGHLIGHTS OF THE MEETING OF AUGUST 10, 2021

President Debra called the meeting to order at 7:30 a.m. Maureen opened the meeting with a prayer, pledge and 4 Way Test. A hot breakfast was enjoyed by all.

Debra recognized those that attended the Vital Club seminar in Williamsburg this past weekend. They were Debra, Taylor, Joe H, Charles O and Bob. All areas were covered by these members and well represented our club!

Bill Pollard had a club makeup and Nancy and John made up watching the recorded zoom meeting.

David announced that Duraid has a birthday today and turns 65. Kristin will celebrate her 40th on Sunday. We wish you both a great day!

Happy Dollars were next-- Kristin was happy that she had dinner with Taylor and husband and also with Renae! John had \$2 and requested that we sing a patriotic song at end of our singing. Charles offered up \$2 and stated that his actor son was chosen for the power ranger role and that it's the white one! Maureen had \$3 happy dollars--one for being late and two for the two weeks vacation. Her MIL treated them to a two week vacation cottage in Maine on the beach! Joe H is going to the PGA in Greensboro Friday and Saturday. He has 4 tickets for Thursday if interested. Nancy has \$2 for successful knee surgery for Roger and for those members who reached out to check on them.

Debra announced that Alice will be leaving the 1st of September and we are looking for replacement. Please reach out in the community for anyone that would be suited to prepare our breakfast each week.

Our District Governor, Debbie Wall will visit on August 24 and there will be a short board meeting after.

PROGRAM HIGHLIGHTS OF AUGUST 10, 2021

Kristin introduced our speaker, Robert Moore, Director, Portsmouth Econic Development for Portsmouth. He introduced two teammates, Jenny Osborne, Business Development manager and Brian Donahue, Assistant Director. He indicated that he and his team have brought over 1 billion in investment to Portsmouth over the past 4 years. He has 7 full time employees and will soon add one more. Their theme is "dirt is money."

He talked about the recent addition of Starbucks, storage units and the car wash in Churchland. The old Kroger site will soon break ground and 232 units will go up along with some retail shops and will be called "Ports." There is a lot happening in the city with Victory Boulevard Entertainment District in the making creating 3000 jobs. In the next couple of weeks the offshore wind project will be introduced. There are two ports in our back yard. He says that one thing he is proud of is to put the people in Portsmouth in these jobs. They will be filling positions through the work force development initiative called "Ports at Work." They will be advertising and offering training when positions are filled.

He talked about the casino that will sit on 50 acres off Victory Boulevard near the college. 30 acres will be for the casino with remainder for restaurants and shops.

They will be looking at the schools to update and be sure that the children can be accommodated.

There will be a website established for residents of Portsmouth "PAW.com". There have been 189 that already gone thru the program and there will be focus on small businesses as well.

Thank you Dr. Moore for enlightening us in the happenings in Portsmouth and all that you and your team are doing to make it a better place.
