## SEPTEMBER 14, 2021

### MEETING OPENER

Our meeting opener will be SAUNDRA IMEL so come on out and enjoy a hot breakfast and share your Rotary spirit!

### HIGHLIGHTS OF THE MEETING ON SEPTEMBER 7, 2021

President Debra called the meeting to order at 7:30 a.m. and welcomed those in person and Karl on zoom. She introduced our new breakfast chef David and thanked him for accepting the position.

David announced that Shannon Glover has a birthday today so wish him a happy birthday if you see him!

We next sang three songs and then on to happy dollars. Charles Owens had a happy \$1 for the Tides game and that Debra caught a foul ball and gave it away. Lupe was happy to see all the kiddos at the bus stops and reminded everyone to be mindful of all the stops. Margaret is happy for David and that she received her Medicare card in the mail this week. Debra is happy to celebrate the Jewish New Year with family.

Jim did not impose any fines but gave a warning that starting next week he will be cracking the hammer!

September 18 will be the first of three volunteer opportunities at Oasis. Those that signed up should arrive at 11 and expect to be there til 1. A list of participants is listed in this bulletin.

Next Taylor gave her classification talk.

### CLASSIFICATION TALK ON SEPTEMBER 7, 2021

Taylor stated that she is 29 years old and thanked us for welcoming her into the club and for Charles for inviting her. Her grandfather was a Rotarian in a club in New York and in 1976 he brought Colonel Sanders to the meeting! She boasted that he is a Paul Harris Fellow.

She was born in Germany in 1992 and is from a military family that is very patriotic. She grew up in Florida and is an only child. She says that the best gift is giving your time. She grew up with a good work ethic and worked hard and learned early on the value of the dollar. She remembers as an only child her parents having an eight passenger van so they could haul around kids to and from! It seemed to always be full.

Her grandpa lived with her her entire life and having fun is key. She remembers that her grandma was ill but she still was able to find strength to have fun. She left her with a great impression and taught her to treat people with kindness.

In 2010 her parents moved to Virginia after she graduated high school. She worked in banking for a bit which led her to appreciate financial literacy and is a big advocate. She has volunteered at an art gallery and in a university hospital where she racked up 1500 hours of service while in high school.

Helping people is one of her passions and that brought her to her current position as independent agent. She works with her clients with Medicare, life insurance and long term care solutions.

Her hobbies include cooking and hosting events. If you do come to her house you will certainly be pampered. As a child instead of Barbie dolls she would ask for dinnerware and cookware. She loves golf and was on a team in high school. She said she was too short for basketball so golf it was! Her favorite club is a 7 iron.

She is married to her husband, Sushi for 3 years. His parents are from India. He is a nuclear engineer and an only child too. They have monthly themed dinners as a family. For Christmas dinner they enjoy Chinese food and eat it on Lenox China! They look forward to building a family someday and fill that passenger van!
