## Back to School Fair on August 22

By Carol Dois Woodward on Tuesday, July 23, 2019

Every year in August, the Prince George Human Services Department headed by our own Past President and Assistant Governor, Shel Douglas, holds a Back to School Fair, where deserving families can receive back packs full of school supplies. There are also community partners who host booths where additional school and educational supplies are available. This year the Back to School Fair will be held on August 22 at Scott Park between the County Government Complex and the ball fields.. The club has adopted this Fair as an annual club project and we volunteer to assist the Human Services Department. Last week, another Past President, Donna Street, circulated a volunteer sign up sheet and she will be asking each week if there are more members and family members ready to sign up to help with the event.

## Summer Supplies for the Rotary Tree-Community Health Center

By Donna D. Street on Sunday, July 28, 2019

Remember to bring any summer items for adults and children (sun visors, sunglasses, hats, sunscreen, etc.) for the Rotary tree at the Hopewell-Prince George Community Health Center. Donna will deliver them after Wednesday's meeting. Years ago with the help of then member Lonnie Kitchen, our club installed a Rotary tree at the Hopewell-Prince George Community Health Center on which we hung little warm things for the winter such as scarves, knitted hats, gloves, non-skid socks and other such items for both adults and children. Patients at the Center are welcome to take an item they need. This year we are mindful that the summer presents challenges for those of lower income. The suggested items are recommend, but maybe you can think of others. It is a bit of a financial outlay, but if each of us does it, there will be glorious supplies for those in need.

Also, continue to bring magazines for McGuire VA Hospital and newspaper for the PG Animal Shelter. President Mark Creech have made these two efforts his personal mission. The Animal Services Center seems to need amazing amounts of newspaper, so don't hesitate to run them by the Center on your own schedule if you choose. We also understand that the Center is always in need of moist cat food - any brand.
