RI Council on Legislation Votes to Elevate Rotaract

"We need to be an inspiration to our young partners, so they will continue doing the great service that they do," said RI President Barry Rassin, who presented the measure. "This sends a strong message that they are truly our partners in service."

Rassin stressed that many of the other aspects of Rotaract clubs will remain the same. Rotary clubs will still sponsor Rotaract clubs, and will still support them. Rotaractors will also not be considered Rotarians, and will retain their own unique club experience. The measure simply broadens the definition of

membership in RI to include Rotaract clubs.

The benefit to Rotary is the ability to learn more about Rotaractors and improve the support and resources it offers to help Rotaract grow. As Rotaractors become our partners in service, we will be able to better track their impact and expand our reach, supporters said.

(As an aside, individuals are technically not members of RI. Clubs are members of RI. This distinction helps explain why Rotaract clubs will now become members of RI, while the club's members remain Rotaractors and not Rotarians.)

Historical footnote: This is also the first time a sitting RI President has ever proposed an item to the Council.

Wolfs Are Named Honorary Members

Jim and Carol Wolf, who have been mainstays for the HT Spring fundraiser for 10 years, have been made honorary members of the club in thanks for their talents and dedication. They did the auction booklet for most of that time, have kept the spreadsheets of donations and sales, and have created all the hundreds of bid sheets. They have always arrived early and stayed late to check out guests and help settle up auction sales. What's more, even though they are retiring and will live part of the year in Florida, they have promised to be back in time to do their volunteer work at the fundraiser!

Thank you, Jim and Carol!

Monte Carlo Lost-Need Owners

A number of items were either left at the club or left with some questions. Linda and Julie are trying to find owners and answer questions. If you can help, please let one of them know.

Shanda Watkins-did she get her VCU Basketball Tickets?

Beverley Henley-Did you get your Q's BBQ basket?

Wendy McSweeny-Did she get her Richmond Symphony voucher?

Rick Brynildson-Nick will print tickets to CAT Theater for him.

Two bottles of wine and two glasses. ????. Who owns them?

We've already solved some mysteries, but these remain.

Cressey Is TRF Chair

From RI News Release

“On 22 April, The Rotary Foundation Board of Trustees replaced Trustee Ron D. Burton as chair of the Board of Trustees, effective immediately. The trustees elected Trustee Vice Chair [Brenda Worthley Cressey](#) to serve as the new chair for the remainder of the Rotary year, ending 30 June 2019.

“The trustees determined that actions taken by Trustee Burton were in opposition to an earlier decision by the Board of Trustees, which made his continued role as chair untenable. His term as trustee continues through 30 June 2019.

“While it is unfortunate that today's decision was necessary, the trustees recognize and appreciate Trustee Burton's extensive service and contributions to Rotary and The Rotary Foundation.”

Brenda Cressey is a member of the Rotary Club of Paso Robles, CA, is a Past District Governor and has been a Rotarian for 26 years. She and her husband, Dick, live in Templeton, CA.
