New Partnership is Formed

Huguenot Trail Rotary and the James River High School Naval JROTC have become partners in an exciting new adventure!

It began when Dan made a charity request to give the unit \$500 towards expenses not covered by the schools or the Navy. So, Cmdr Pete Greenwald, Senior Naval Instructor, and two of the units officers, Lt. Cmdr Prera and Sr. Chief DeMatos, spoke to the club about their unit and how it has changed their lives. They made such an impression, the Board voted to give them an additional \$1,000-with a caveat: we would be partners. They will list us as sponsors on their website, as HTR will; we will do joint projects, and the club will support NJROTC efforts. Additionally, two members of the unit will attend Rotary meetings the first Wednesday of each month so we get to know each other and they can keep us abreast of the unit's activities.

The first joint project will be participation in the Feed My Starving Children event March 9 at Crestwood Church.

Julie congratulated Cmdr. Pete Greenwald and Sr. Chief DeMatos after giving them the club's check for \$1,000.

The Traveling Rotarian is still relaxing by the sea. On the beach in Puerto Rico, Beverley read about Rotary's work there following the hurricane. Linda took spread-

ing the word of Rotary to new heights when she hung the HT Rotary banner from the balcony of the Cozad's room in Antigua!

Monte Carlo Update

Monte Carlo Night will raise funds for ASK Childhood Cancer Foundation. The club's long-time practice is:

- Each member is expected to buy two tickets and sell four more. Tickets are \$40 each or two for \$75. Bills **will not be issued for the two member tickets.** Checks should be made payable to the club's Foundation;
- Members are expected to solicit donations for auction items, and
- Members are asked to obtain sponsors for food and/or gaming tables.

← **Pam and Frank Makosky** have been voted into membership in HT Rotary and will be officially installed at the first meeting in March. Frank is in real estate and Pam works in pharmaceutical pricing. They have three daughters, and the youngest, Mackenzie, will volunteer with them at Feed My Starving Children. Welcome!
