HT Rotary Funds a ShelterBox

Foundation Chair Kevin presented check for \$1000 to Debbie Wall, ShelterBox ambassador, when she spoke at last week's meeting. In less than 20 years since ShelterBox was founded by Rotarians in an English club, the project has given shelter and basic living necessities, including items needed to continue education for children following disasters, to over 1.5 million people. ShelterBox and Rotary International have just extended their Project Partnership agreement for another three years.

What's the Verdict? Does Scott have good form when addressing the ball?

Cozads had a visitor to their gardens last week, probably sizing up their Koi for an easy dinner! No such luck, Linda said!

Correction

Rick and Linda's handsome grandson, David, is a Merchant Marine cadet.
