

## Coming Events

### March

- 13 **Clare Lorio**  
National MS Society
- 20 **Richard Conti**  
VA Science Museum
- 27 **Club Forum**

### April

- 3 **Lynn Crump**  
State Parks Planning
- 12 **Monte Carlo**  
Salisbury Country Club

*Taking a well-deserved rest*, part of the HT team chills out after helping package almost 256,400 meals at a Feed My Starving Children event at Crestwood Presbyterian Church. That's enough to feed 702 children for an entire year!

Thanks to Jeff, Jim, Kevin, Lisa, Sandra, Nick, Merle, Paul, Dan, Sandy, Gordon, Scott and their families and the cadets from James River NJROTC for their hard work. We had 25 people who worked two hours each (and Scott and Julian worked two shifts!) for a total of 54 volunteer hours! Good work!

See lots more pictures on page 2. Thanks to photographers Nick and Merle for their great photos! And, thanks to Capt. Merle!

*HT Rotarians working Bingo* at McGuire Veterans Hospital Sunday were Barbara, Jeff, Joyce, Lisa and Kevin. The American Legion Auxiliary (Lisa and Barbara are members) hosts Bingo afternoons for patients at the hospital. Kevin is a Bingo caller and the others help out with filling cards and serving refreshments to the men and women who come down for a break in their hospital routine.

## Several Incentives Available for Foundation Giving

PDG Sandy Duckworth (7610) spoke at last week's meeting about The Rotary Foundation and how money given to TRF returns to clubs in the form of District grants.

Club TRF chair Gordon distributed individual donor sheets and announced the club will match donations, up to \$100, with TRF points. Points from TRF match dollar for dollar any donation and count towards Paul Harris Fellow recognition. To receive club matching points, donations must be made prior to April 1.

On April 2, District 7600 will match up to \$500 with recognition points.

- Contributions must be to the *Annual Fund*.
- Contributions matched with recognition points up to an *individual* contribution of **\$500**.
- Your "My Rotary" account must be set up in *advance* of April 2 as it takes a day or two for the account to be activated.

### *Jim welcomed NJROTC cadets*

Morris and Wade to last week's meeting. Two cadets will attend the first Wednesday meetings, visit with members and report on the unit's activities at James River High School.
