#EndPolio

Three new cases last week

And, In Other News

- **Deborah A. Wall** of the Rotary Club of Colonial Heights, has been proposed by the District 7600 nominating committee as District Governor for 2021-2022. If no challenge is made by Nov. 18, the appointment will be final.
- Did you see DG Susan and Zach in the District newsletter?
- Members in District 7600 are invited to a dinner cruise on the Spirit of Norfolk next Wednesday, along with Rotary leaders from Zones 33 and 34 during their annual leadership summit. Contact Julie if you are interested.
- RYLA (Rotary Youth Leadership Academy) will be held the weekend of Feb. 16 at the 4-H Conference Center in Wakefield. If you know a high school junior who might be interested, let Julie know ASAP. There is money in the budget to send two students to the event.
- National Wreaths Across America Day will be observed Dec. 15 at noon at the Richmond National Cemetery on Williamsburg Road. The mission is to *Remember, Honor and Teach* through wreath laying ceremonies in 1,200 locations in all 50 states, at sea and abroad. Michael Imperio is the local chair for volunteers and donations. 804.912.6718.
- **WORLD INTERACT WEEK** is being observed across the globe this week. Scott S. is working on establishing a club at his daughter's middle school and Bonnie is our liaison with AG Maureen to start a high school club.
- Veteran's Day is Nov. 11...an opportunity to honor all those men and women who served to keep our country free. Gordon shared a YouTube video of The Texas Tenors singing "Proud to be an American," but the link didn't work in the newsletter. Look it up. It's quite moving.

The Traveling Rotarian made it to a party Oct. 31 with Brother Frederick and Sister Mary Agnes (aka Rick and Linda)!

Rotary and the United Nations

Ask almost anyone at the United Nations and they will know that Rotary, having helped to spearhead the Global Polio Eradication Initiative, has contributed to the 99 percent worldwide reduction in polio cases since the initiative began..

That recognition is no accident. For the last three decades, a network of Rotary representatives has been strengthening ties with the UN, its specialized agencies, and other international organizations like the League of Arab States and the European Union. These connections have enhanced Rotary's global visibility and resource network.

The roots of Rotary's representative network actually predate the formal chartering of the UN after World War II. In 1942, Rotary clubs from 21 nations organized a conference in London attended by ministers of education to develop ideas for advancing education, science and culture across nations. This meeting was the impetus for what is known today as UNESCO, the UN Educational, Scientific and Cultural Organization.

Delegations of Rotary members helped draft the UN charter in San Francisco in 1945 and gave the organization strong support during its early years. The representatives in New York also organize an annual Rotary Day at the UN, which about 1,000 Rotary members and their guests celebrate the decade-old special relationship between the two organizations. This year's event is Nov. 10 in Nairobi.

Fright Night! All sorts of characters wandered in the woods on Halloween. Which one is Dennis and which is Bonnie!
