This event was absolutely wonderful! Special thanks to the committee chairs. Thank you to all the sponsors.

We're looking forward to next year!!!

Mary Rose
August 10, 1943 – October 3, 2021

Jake and Donna visited Mary in late September. This is a photo from several weeks ago that her daughter Jackie shared with them. Mary was such an important part of our club, joining on the night the club was chartered. She served as club president twice.

Rotary 

For more than 30 years, Rotary and our partners have driven the effort to eradicate polio worldwide. Our PolioPlus program was the first initiative to tackle global polio eradication by vaccinating children on a massive scale. As a core partner in the Global Polio Eradication Initiative, Rotary focuses on advocacy, fundraising, volunteer recruitment, and awareness-building.

Rotary members have contributed more than \$2.2 billion and countless volunteer hours to protect nearly 3 billion children in 122 countries from this paralyzing disease. Rotary's advocacy efforts have played a role in decisions by governments to contribute more than \$10 billion to the effort.
