

Bottles Wanted!

Can We Match This Picture?

The Wheelbarrow of Liquor is a surefire money maker for Casino Night. We've raised a lot of money on these at past events. Now it's time to get it together for our fund raising event. The picture above looks great, but to date we only have three bottles of liquor. One bottle per member and we will present a wheelbarrow that will generate some real interest at our event. So, please get shopping at the VA ABC. If you know a garden center store that might be willing to contribute to our event we also need a wheelbarrow.

We will be handing out hard copy event tickets and draw down tickets to all members to help attract more people to our fundraiser. **We have 19 days left until the event.** We need all members to help sell tickets. You can have people go online to buy their tickets or buy hard copy tickets from you.

Need to Sell Tickets

Event Tickets \$75 per person \$125 per couple.
Draw Down Tickets \$50 per ticket. 200 Limit. Do not have to be present at the event to win (Perfect for those people that can't attend the event). This raffle gives you a chance to win up to \$5000 dollars and help feed over 25k people in our community. We will be packaging over 25k meals at Mtn View High School on May 11th.

Please do not lose the draw down ticket they have a number 1-200. These tickets will be used during our draw down contest to determine the winner. These tickets are perforated. When you sell these tickets fill out the buyers information (name, phone number, and email) tear it along the perforated line. You will keep the buyers information and hand the other side of the ticket with the number to them. Bring the buyers information to our club meeting to hold until the event or bring these to the event.

June 15-19 International Convention (Hamburg)

This Week's Speaker, Molly Wilson

March Setup- Take Down Crew
Lori Hayes, Captain
Bob Sorkhe and Rebecca Purdy
Come a few minutes early to help set up the room.

March Is Water and Sanitation Month

Clean water is a basic human right that many are often denied. There are 2.5 billion people in the world that lack access to improved sanitation and 748 million people that don't have clean drinking water. Nearly 1400 children die each day from diseases caused by lack of sanitation and unsafe water. When people have access to clean water, they live healthier and more productive lives.

In 2015, the United Nations introduced their new Sustainable Development Goals (SDGs) to end poverty and promote prosperity while protecting the environment and addressing climate change. Sustainable Development Goal (SDG) 6 on water and sanitation encourages us to address universal access to drinking water and sanitation along with improved water management to protect ecosystems and build resiliency.

Rotary members are committed to reaching the water and sanitation SDG through projects like building wells, installing rainwater harvesting systems, and teaching community members how to maintain new infrastructure.

During March, Rotary Water and Sanitation Month, we're celebrating our commitment to create healthier

Have You Signed up for the District Conference and a Chance to win the D7610 Golf Cup?
