New Chair for the Rotary Foundation Board

On 22 April, The Rotary Foundation Board of Trustees replaced Trustee Ron D. Burton as chair of the Board of Trustees, effective immediately. The trustees elected Trustee Vice Chair Brenda Worthley Cressey to serve as the new chair for the remainder of the Rotary year, ending 30 June 2019. "The trustees determined that actions taken by Trustee Burton were in opposition to an earlier decision by the Board of Trustees, which made his continued role as chair untenable. His term as trustee continues through 30 June 2019. "While it is unfortunate that today's decision was necessary, the Trustees recognize and appreciate Trustee Burton's extensive service and contributions to Rotary and The Rotary Foundation."

Brenda Cressey is a member of the Rotary Club of Paso Robles, CA, is a Past District Governor and has been a Rotarian for 26 years. She and her husband, Dick, live in Templeton, CA.

Council Elevates Rotaract

The 2019 Council has completed its work. Among its most important actions, the Council elevated the status of Rotaract clubs, allowing them to join Rotary International the way that Rotary clubs do. The change is intended to increase the support that Rotaract clubs receive from RI and to enhance their ability to serve. The Council is made up of representatives from each Rotary district, and meets every three years in Chicago, Illinois, USA, to review the rules that govern the organization.
