Background Checks Review: The representative on the SCPS Partnership Agreement must be fingerprinted annually. It is important that SCPS staff and the local community know that official business partners are vetted properly. Moving forward, if there is no record in the Human Resources Department, the school division will not consider you an official business partner. JUNE IS ROTARY FELLOWSHIP MONTH

Rotary Fellowships consist of members who share a common interest in recreational activities, sports, hobbies, or professions. These groups help expand skills, foster vocational development, and enhance the Rotary experience by exploring interests while developing connections around the world.

ROTARY FELLOWSHIPS

- Help participants make lasting friendships outside their own club, district, or country
- Advance Rotary's public image and identity
- Serve as an incentive for joining Rotary and for maintaining active membership

ORGANIZATION

- Function independently of Rotary International by establishing their own rules, dues requirements, and administrative structure.
- Are open to Rotarians, their family members, as well as participants and alumni of all Rotary and Foundation programs.

Visit www.rotary.org/fellowships for additional resources on Rotary Fellowships. Contact rotaryfellowships@rotary.org with questions.

2. How old is Aquia Church, and what is the connection to our Rotary club?
3. Why did our club's original club banner and newsletter masthead have a drawing of Pocahontas on it?
