## ShelterBox Nominated for 2019 Nobel Peace Prize

ShelterBox has been nominated for the 2019 Nobel Peace Prize, in recognition of our humanitarian efforts in areas of extreme conflict. ShelterBox is honored to learn of this nomination, which is a great acknowledgment that ShelterBox provides much more than material aid – we provide the foundation for recovery and the stability needed for peace, one family at a time. This is the second year ShelterBox has been nominated.

As Rotary International's official project partner in disaster relief, this nomination is an example of supporting Rotary's Area of Focus on promoting peace. The nomination reflects the incredible work done by the ShelterBox staff and volunteers around the world, many of whom are Rotarians, and those who have supported them, especially the many Rotary Clubs and Rotarians worldwide.
