Rotary unites people from all continents and cultures who take action to deliver real, long-term solutions to our world's most persistent issues. Through volunteering, our 1.2 million members make lifelong friendships that transcend political and cultural boundaries and foster global understanding and respect. In addition to our 35,000 clubs, Rotary also offers expanded service opportunities including:

Interact clubs bring together young people ages 12-18 to develop leadership skills while discovering the power of Service Above Self. There are more than 20,300 Interact clubs in 159 countries.

Rotaract clubs bring together young adults, starting at age 18, to exchange ideas with leaders in the community, develop leadership and professional skills, and have fun through service.

Solving real problems takes real commitment and vision. Each year, Rotary members invest hundreds of millions of dollars and countless volunteer hours to promote health, peace and prosperity in communities across the globe. Rotary members take action by providing access to clean water and sanitation, supporting education, preventing and treating disease, saving mothers and children and growing local economies.

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
