Project Kenya Founder Allisyn Lam to Speak

Wednesday, August 14, 2019

The Rotary Club of Ashburn, VA is pleased to welcome Allisyn Lam as our guest speaker this week. Allisyn is a rising junior at Briar Woods High School who is not waiting to grow up to create ripples of change around the world! During her freshman and sophomore years, she has raised \$6,000 to support the Asande House Orphanage of 33 children in Kitale, Kenya, a project that Ashburn Rotary has generously supported. This has received positive recognition from Chairwoman Randall with the Loudoun County Board of Supervisors and was highlighted during her State of the County Address. Allisyn is now looking to extend her efforts into the medical field with a shipment of medical scrubs to two hospitals in Kitale and Kakamega, Kenya in partnership with two Kenyan Rotary clubs. Allisyn hopes to share her work with other high school students, who may find their own passion in helping others as well.

ROTARY AT A GLANCE

Wednesday, August 14, 2019

ROTARY AT A GLANCE

Solving real problems takes real commitment and vision. [Rotary](#) unites people from all continents and cultures who take action to deliver real, long-term solutions to our world's most persistent issues. Together, we apply our professional experience and personal commitment to find new and effective ways to enhance health, stability, and prosperity across the globe.

Through volunteering, our 1.2 million members make lifelong friendships that transcend political and cultural boundaries and foster global understanding and respect. In addition to our 35,000 clubs, Rotary also offers expanded service opportunities including:

[Interact](#): a service organization organized and sponsored by Rotary clubs for young adults ages 12-18. There are more than 20,300 Interact clubs in 159 countries.

[Rotaract](#): groups organized by Rotary clubs to promote leadership, professional development, and service among young adults ages 18-30. There are more than 10,000 Rotaract clubs in 184 countries.

[Rotary Community Corps](#) (RCCs): groups of non-Rotary members who work to improve their communities. There are more than 7,500 RCCs in 80 countries, all organized and sponsored by Rotary clubs.

Membership Snapshot

Who: Rotary brings together the kind of people who step forward to take on important issues for local communities worldwide. Rotary members hail from a range of professional backgrounds; doctors, artists, small business owners, teachers and executives all call themselves Rotarians. Rotary connects these unique perspectives, and helps leverage its members' expertise to improve lives everywhere.

Where: From Haiti and Greenland to Nigeria and Singapore, Rotary unites a truly diverse set of leaders from across the world. Currently, the largest number of clubs comes from the United States, India, Japan and Brazil. The fastest growing Rotary regions include Southeast Asia and Africa.

What: Each year, Rotary members invest more than \$200 million and 16 million volunteer hours to promote peace, fight disease, provide clean water, save mothers and children, support education, and grow local economies.

Polio Eradication

For more than 30 years, Rotary has been the driving force in the effort to eradicate polio worldwide. Alongside our partners in the [Global Polio Eradication Initiative](#), we have achieved a 99.9 percent reduction in polio cases. Our members have contributed \$1.9 billion and countless volunteer hours to protect more than 2.5 billion children in 122 countries from this paralyzing disease. Today, polio remains endemic in Afghanistan, Nigeria, and Pakistan. Rotary remains committed to ending polio, and will raise \$50 million per year, with every dollar to be matched with two additional dollars through a matching agreement with the [Bill & Melinda Gates Foundation](#). With the infrastructure we helped create to end polio, we have built a lasting global health legacy that is now used to reach millions of children to treat and prevent other diseases.

The Four Way Test and Values

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
