September is Basic Education and Literacy Month

Wednesday, August 28, 2019

More than 775 million people over the age of 15 are illiterate. That's 17 percent of the world's adult population.

Throughout September, Rotarians around the world celebrate and acknowledge one of six primary focus areas, basic education and literacy. Rotary's goal is to strengthen the capacity of communities to support [basic education and literacy](#), reduce gender disparity in education, and increase adult literacy. Rotarians are united in supporting education for all children and literacy for children and adults.

The Four Way Test and Values

Wednesday, July 10, 2019

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
