Join us for Club Committee Day

Tuesday, July 9, 2019

At this weeks meeting we will be introducing our new board committee Chairs to the membership and allowing each Chair to have a brief time to discuss their committee goals and aims for this upcoming year. We will also be providing a sign up opportunity for club members to join one (or many!) committees so that we can continue to do great work for our community. We can't do it without all of your support! This is a great chance for each club member to find out how they can best help out OUR club. We will be meeting in the bar/restaurant area of 1757 which will provide us with a great opportunity for some Club socializing in a more informal setting. We hope to see you all there to join in the fun!
