## Polio Plus Facts

Monday, July 6, 2020

For more than 30 years, Rotary and our partners have driven the effort to eradicate polio worldwide. Our [PolioPlus program](#) was the first initiative to tackle global polio eradication by vaccinating children on a massive scale. As a core partner in the Global Polio Eradication Initiative, Rotary focuses on advocacy, fundraising, volunteer

recruitment, and awareness-building.

Rotary members have contributed more than \$2.1 billion and countless volunteer hours to protect more than 2.5 billion children in 122 countries from this paralyzing disease. Rotary's advocacy efforts have played a role in decisions by governments to contribute more than \$10 billion to the effort.

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity for service;

**SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;

**FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
