President's Message October 2021

By Michael Naghdi on Saturday, September 25, 2021

President's Message

Dear Fellow Rotarians, I can't believe that a quarter of our Rotary year has gone already, as we enter the new month I would like to remind everyone that this month is Community Economic Development Service month. Every Rotarian is different! Every Rotarian was drawn into Rotary for different reasons, and many vividly remember their first Rotary Moment – the moment when they went from being members of their Rotary clubs to being committed Rotarians. I love hearing these stories and learning about what drew each Rotarian into Rotary. For some, it was a Rotary meeting, a particular project, or a convention. For me, it was a speaker at an ordinary weekly meeting of the Rotary Club of Lake Shore, before I'd joined our Rotary Club. I was invited to join the Lake Shore Rotary Club, but to be honest I had no idea of what Rotary was about, until I heard the guest speaker who spoke about Community service. This was a new idea to me. Until then, I had never thought much about the purpose of my life, or why I was a System Analyst in IT Business. I was too busy working. I was always focused on my job, and on how to make it better. I never stopped to consider any deeper purpose of my work. Understanding the idea of Community service completely changed my attitude toward my work, and toward my own purpose in life. I realized that the goal of a person doing business is not only to earn a living. The purpose is to be a contributing member of the community, to make the community stronger, and to help make other people's lives better. When I understood this, and understood the concept of Service Above Self, it changed my life and set me firmly on the path to a life of Rotary service. During this month, I encourage all Lake Shore - Severna Park Rotarians to focus on this important avenue of Rotary service. Think about how what you do, and what we do as a group, helps others within our community. We have a number of tremendously talented individuals within our members, and we need to constantly be thinking about how we can best use our time and talents.

Yours In Rotary Service

Family Fun Day September 18th

The 9th annual Family Fun Day was held at the Y in Pasadena Maryland and once again it was a rousing success. We hosted over 150 families at the event. During the event we provided free meals and drinks, pony rides, swimming, face painting, moon bounce and games.

The following depicts some of the fun we had.
