Rotary Club President's Message

SERVE TO CHANGE LIVES

Rotary Club of Lake Shore-Severna Park

President's Message

Dear Rotarians, September is Literacy Month! Basic education and literacy is one of Rotary's six areas of focus. We know that education and literacy are essential for reducing poverty, improving health, encouraging community and economic development.

My friends, did you know that Worldwide, 67 million children have no access to education, and more than 775 million people over the age of 15 are illiterate. Rotarians are supporting educational projects that provide technology, teacher training, vocational training teams, student meal programs, and low-cost textbooks to communities. The goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

And I ask you to channel your energy this month in enabling your community to a better and brighter future.

I want to let you know that the Hanson Grant Awarded to our District 7620 is available to the clubs to provide education and literacy to students globally.

Serve To Change Lives
Yours In Rotary Service

President 2021-2022

Great job everyone, and hopefully a financial success! I would like to thank everyone for a great job specially John Mason, Bob Sartwell and Charles McCurdy for putting this affair together. I would like to thank all the sponsors for supporting this event and all the Rotarians who donated items to the silent auctions, and cakes for the Cake Wheel.

Lastly I would like to thank all the Rotarians who travelled a long distance to support our event.

Between the Rotary Cubs of Glen Burnie and Lake Shore-Severna Park we manage to sell over 500 tickets. We enjoyed great food and drinks! Here is a few photos from the event:

We invite all Pasadena, MD communities, sports groups and other volunteers to spend time on Saturday October 16, 2021 collecting plastic bottles and plastic trash from watersheds, waterfronts, community shorelines and beaches, local parks and school grounds. All you have to do is select the area, get some volunteers to pickup bottles, plastic trash, and paper trash. Bring your own recycling bin and trash can. Then take it home, put it out on your trash and recycling days. Let's keep our creeks and rivers clear of any plastics. You can message us, call John Clark or email him. Pass this information on to community associations and students who need community service credits too! We plan to do this cleanup effort again in March 2022.

Camp Whippoorwill Project Grant

By Michael Naghdi on Wednesday, June 30, 2021

**Camp Whippoorwill Boathouse Upgrade Project
Pasadena, Maryland USA**

Grant Description:

Camp Whippoorwill Boathouse Upgrade Pasadena, Maryland USA Grant Description: Camp Whippoorwill was acquired by the Girls Scouts of Central Maryland in 1927. Each year many girls attend camping trips there from all over Maryland, and some troops from out-of-state.

Additionally, other organizations like the Boys Scouts, Catholic Youth Organization and the YMCA camp there. Everyone knows that starting March 2020 all the Girl Scout camps were shut down. The bulk of their revenue to operate comes from camp rentals. Their cookie drive was greatly hampered as well, which is another portion of their income. GSCM plans to upgrade the Boat House with a full service kitchen, with new flooring and heat pump to allow for all year round camping. The building cannot be demolished and rebuilt due to environmental laws, as it sits at the shores of the Magothy River. This project can be finished in 1 week this fall. With district approval of this grant request the Boat House will be renamed the Rotary Boat House with a plaque over the front door.

73 Year Celebration-Lake Shore-Severna Park Rotary Club.

1947-1948 Rotary Theme: Enter to Learn, Go Forth to Serve

Thank you Rotarians, families and friends for joining us today. We felt it was appropriate to celebrate at Downs Park since Frank Calvert worked so diligently to have 3 benches placed here in memory of past Rotarians. We also celebrate Otts Humm whose family sponsored his bench in Mother's Garden.
