we think, say, or

What You Missed ...

** Great News!! The Rotary Foundation was given a perfect 100 score by Charity Navigator, an organization which examines the financial documents of non-profit organizations to develop an objective rating system for America's charities. This is an excerpt from their website announcement:

" The exceptional charities on this list execute their missions in a fiscally responsible way while adhering to good governance and other best practices that minimize the chance of unethical activities. Each has earned perfect scores for its [Financial Health](#) and its [Accountability & Transparency](#). Those two scores then translate into a perfect 100 point overall score. Less than one percent of the thousands of charities rated by Charity Navigator have earned perfect scores.

We applaud these charities for exceeding industry standards and outperforming other organizations performing similar work."

** We received notification that 2 people have been nominated for membership in the Satellite Club. Installation is tentatively August 21st at the Satellite Club Meeting.

** Karen announced a fundraiser being sponsored by Bay Venture Outfitters. *Paddling for a Purpose Poker Run* will take place September 21st. The proceeds from this fun kayaking event will benefit Boys and Girls Club of North East, Rotary Club of North East, Arts Council, Cecil Land Trust, Cecil Historical Society, North East VFW, and Maryland

Association for Parkinson Support, Inc. Contact Karen to volunteer to help on the day of the event or sign up to participate for prizes at www.bayventureoutfitters.com

** After further discussion, the decision was made to offer BOTH a regular meeting at Pier One AND the optional adventure meeting on August 28th (kayaking) and October 23rd (Fair Hill Nature Hike). Members may attend either location. Please let Keith or Sara know by August 23rd if you would like to participate in the kayaking event. No experience or equipment is necessary and it will only last until 8:30.
