Test of the things
we think, say, or
do:**

First- *Is it the

What You Missed ...

By Sara Hickey on Thursday, August 22, 2019

The Satellite Club had a very informative and exciting meeting at the Cecil County Sheriff's Office. They toured the facility, received information about crime statistics and flew a drone that officers use for situational awareness, search and rescue, tactical deployments, aerial visual perspectives for crowd control and traffic incident management, temporary perimeter security, crime scene documentation, collision scene documentation, and disaster response.

They also witnessed a great demonstration of K9 tactics by Deputy Brewer with his partner Max, and Deputy Cunningham with his partner Aries.

Meanwhile, the morning club celebrated Arlene's birthday:

and heard about some great mortgage options and grant programs offered by Melissa

Parlett of APG.
