What You Missed ...

By Sara Hickey on Friday, January 22, 2021

Last week, Tyler gave a presentation on Financial Tips at Tax Time. Some of the most important things you can do are:

Develop Your Strategy

Have a Long-Term Outlook

Have Realistic Expectations

Maintain Your Balance

Prepare for the Unexpected

Focus on What You Can Control

Review Your Strategy Regularly

Details about all of these great strategies are contained in his full presentation, attached to the bulletin. If you would like more information, contact Tyler directly or listen to the full [recording](#) from last week.

Tracy is looking for a volunteer to chair and form a committee for the speech contest this year. We are thinking it would be best accomplished as a virtual event, maybe even focusing on better virtual presentation skills. Get creative! Let Tracy know if you are interested. The Board members are too involved in other projects, so we need some fresh blood :)

For the safety and health of our members, **all meetings will be Zoom only** throughout the middle of February, at least. We will decide at that time about resuming hybrid meetings. The Zoom link has changed. Please use [this link](#) for all meetings.

We are raffling off a big screen TV for our next club fundraiser, just in time to watch the Super Bowl! The drawing will take place during **this week's meeting**, so get your sales completed ASAP! They are just \$10 each!! All proceeds benefit our club operation costs, so please keep our club going by selling at least 5. Return all stubs and checks made out to: *Rotary Club of North East* and make arrangements with Sue or Tracy for pickup. **DO NOT MAIL them now**. Mail service is very slow and unpredictable.

Care and Concern:
Lee is having some health issues. Please keep him and his family in your thoughts.
