What You Missed ...

By Sara Hickey on Sunday, February 7, 2021

Last week, District Governor Steve Capelli and Lt. Governor Marie Calafiura joined us for the official DG visit of 2020-2021.

Marie shared some interesting facts about DG Steve and we discussed club projects and how we are helping to "Engage and Make a Difference" this year.

DG Steve emphasized his goal of Growing Rotary, encouraging us to invite new members and diversify our club in gender, ethnicity, and classifications. We had a great time and thank them for their visit. We're hoping we can meet with them in person later this year. [Click here](#) to watch last week's recording.

** District Conference is coming up April 16th and 17th via Zoom. Look for details in upcoming newsletters.

** You should have received last quarter's dues invoice in your email. Please mail or drop off checks to Susie as soon as possible.

** The club raised approximately \$850 from the TV raffle to benefit operations! Thank you for selling tickets.

** This year's Golf Fundraiser's theme is "30 Years of Doing Good in Our Community." Please send any pictures or memories you have of past club projects to Jim or Tracy so we can highlight our club's community service over the last 30 years.

** Tracy is looking for a volunteer to chair and form a committee for the speech contest this year. We are thinking it would be best accomplished as a virtual event, maybe even focusing on better virtual presentation skills. Get creative! Let Tracy know if you are interested. The Board members are too involved in other projects, so we need some fresh blood :)

For the safety and health of our members, **all meetings will be Zoom only** throughout the middle of February, at least. We will decide at that time about resuming hybrid meetings. The Zoom link has changed. Please use [this link](#) for all meetings.

Care and Concern:

Lee is having some health issues. Please keep him and his family in your thoughts.
